ZONING DISTRICT MAPS

APPENDICES

1.0 Title and Contents

1.1 Title

- 1) This By-law may be cited as the Town of Morden Zoning By-law and shall apply to all lands within the limits of the Town of Morden.

1.2 Intent and Purpose

The regulations established by this By-law are deemed necessary in order:

- 1) To ensure general conformance with the objectives and policies of the *MSTW Planning District Development Plan*.
- 2) To outline the powers and duties of Town of Morden Council (Council), the MSTW Planning District Planning Board (Planning Board), the Designated Officer and the landowner and/or developer as they relate to this By-law.
- 3) To regulate the following:
 - a) all buildings and structures erected hereafter;
 - b) all uses or changes in use of all buildings, structures and land established hereafter;
 - c) all structural alterations or relocations of existing buildings and structures occurring hereafter;
 - d) the increase or decrease of the average grade of a site by 0.15 m (0.50 ft.) or more in height; and
 - d) all enlargements or additions to existing buildings, structures and uses.

1.3 Regulation of Uses

- 1) With the exception of Section 5.2 of this By-law, no land, building or structure shall be constructed, enlarged, placed, used or occupied except for a use that:
 - a) is listed in the Zoning District clauses as:
 - i) a permitted use development;
 - ii) a conditional use development, subject to approval as such;or
 - b) is an accessory use, building or structure.
 - c) unless granted a use variance as per the *Act*.
- 2) There shall be a maximum of one dwelling unit per lot or parcel of land, except for the following:

- a) Single Family Dwellings, Two Family Dwellings, Townhouse Dwellings, Multiple Family Dwellings or Mobile Home Dwellings as provided for in this By-law; and
 - b) Mobile Home Dwellings in a mobile home park that has been approved by Council.
- 3) Where any land, building or structure is used for more than one purpose, all provisions of the By-law relating to each use shall apply. Where there is a conflict, the more restrictive regulations shall prevail, except as otherwise approved by Council.

1.4 Contents of the By-law

The contents of this By-law include:

- 1) Part I, comprising of Section 1.0 to Section 7.0, outlines the Operative and Interpretive Clauses.
- 2) Part II, comprising of Section 8.0 to Section 50.0, outlines the General Administrative Clauses, General Development Regulations and Special Land Use Regulations.
- 3) Part III, comprising of Section 51.0 to Section 66.0, outlines the Zoning District clauses.
- 4) Part IV comprises the Zoning District Maps.

1.5 Headings and Titles

- 1) Despite any other provision of this By-law or any other By-law passed by Council to the contrary, headings and titles within this By-law shall be deemed to form part of the text of this By-law.

1.6 Interpretation

- 1) Words, phrases and terms defined herein shall be given the defined meaning.
- 2) Words, phrases and terms neither defined herein nor defined in By-laws of the Town of Morden shall be given their usual and customary meaning except where, in the opinion of Council, the context indicates a different meaning.
- 3) The phrase *used for* includes *arranged for; maintained for; designed for; or occupied for*.

- 4) The provisions of this By-law shall be interpreted to be the minimum regulations except where the abbreviation for, or word, *maximum* is used, in which case the maximum regulation shall apply.
- 5) Unless the context clearly indicates the contrary, where a regulation involves two or more items, conditions, provisions or events connected by the conjunctions *and*, *or*, or *either-or*, the conjunctions shall be interpreted as follows:
 - a) *and* indicates that all the connected items, conditions, provisions or events shall apply;
 - b) *or* indicates that all the connected items, conditions, provisions or events may apply singly or in combination; and
 - c) *either-or* indicates that the connected items, conditions, provisions or events shall apply singly but not in combination.
- 6) The word *includes* shall not limit a term to the specified examples, but is intended to extend the meaning to all instances or circumstances of the like kind or character.

1.7 Units of Measurement

- 1) For convenience, this By-law contains both metric and imperial measurements. In cases where a discrepancy occurs between the metric and imperial standards, the imperial unit shall prevail.

1.8 Effective Date

- 1) This By-law shall be in full force and effect when the Council of the Town of Morden has given it Third Reading.

1.9 Control of Development

- 1) No development, other than that designated in Section 11.1, shall be undertaken in the Town of Morden unless an application has been approved and the development permit has been issued.

1.10 Relationship to Former By-laws

- 1) The adoption of this By-law shall not prevent any pending or future legal action to deal with any existing land use violations.

1.11 Validity

- 1) Should a court of competent jurisdiction declare any Section or part of a Section of this By-law invalid, the same shall not affect provisions of the

By-law as a whole or any part thereof beyond that which is declared invalid.

2.0 Non-Conforming Buildings, Structures, Lots and Uses

- 1) When on or before the day on which this By-law or any By-law for the amendment of it comes into force, a development permit has been issued, and the enactment of the By-law would render the development in respect of which the permit was issued a non-conforming building, structure, lot, or use, the development permit continues in effect despite the enactment of the By-law.
- 2) Any lawful building or structure which does not conform to one or more of the applicable yard regulations of the Zoning District in which it is located, either on the effective date of this By-law or amendments thereto, shall be deemed to be a permitted building or structure and shall be used as if it conformed to all such regulations, in accordance with Section 2.0 (5) hereof.
- 3) Any legal existing lot which does not conform to the minimum site area, site width, front yard or access regulations hereof for the Zoning District wherein it is located, shall be deemed to be a permitted lot and shall be used as if it conformed to all such regulations, in accordance with Section 2.0 (5) hereof.
- 4) Any lawful use of a building, structure or lot, or portion thereof, which does not conform to one or more of the applicable use regulations of the Zoning District in which it is located, either on the effective date of this By-law or amendments thereto, shall be deemed to be a permitted use and shall be used as if it conformed to all such regulations, in accordance with Section 2.0 (5) hereof.
- 5) A non-conforming use of land or a non-conforming use of a building may be continued, but if that use is discontinued for a period of twelve consecutive months or more, any future use of the land or building shall conform to the provisions of this By-law.
- 6) A non-conforming use of part of a lot shall not be extended or transferred in whole or in part to any other part of the lot and no additional buildings shall be erected upon the lot while the non-conforming use continues.
- 7) A non-conforming use of part of a building shall not be extended throughout the building and the building, whether or not it is a non-conforming building shall not be enlarged or added to and no structural alterations shall be made thereto or therein.

- 8) A non-conforming building may continue to be used, but the building shall not be enlarged, added to, rebuilt or structurally altered except:
 - a) as may be necessary to make it a conforming building; or
 - b) as the Designated Officer considers necessary for the routine maintenance of the building.
- 9) Where a building or structure that does not conform to the provisions of this By-law or amendments thereto is destroyed or damaged to an extent that is 50.00 percent or more of the assessed value of the building or structure above its foundation, the building or structure shall not be repaired or rebuilt except in conformity with the provisions of this By-law.
- 10) The use of land or the use of a building is not affected by change of ownership, tenancy or occupancy of the land or building.
- 11) Despite Section 2.0 (1) to Section 2.0 (10), as per the *Act* a non-conformity may be altered by way of variation order by Council.
- 12) Any owner may apply to the Designated Officer for a Non-Conforming Certificate in accordance with provisions of *the Act*, and in so doing, must provide adequate documentation to support the application.

3.0 The Zoning District Maps

- 1) The Zoning District Maps are Part IV of this By-law, which divide the Town of Morden into Zoning Districts and specifies regulations applying to particular lands.

3.1 Zoning District Boundaries

Should uncertainty or dispute arise relative to the precise location of the boundary of any Zoning District, as depicted on the Zoning District Maps, the location shall be determined by the following:

- 1) Where a Zoning District boundary is shown as approximately following the centre of streets, lanes or other public thoroughfares, it shall be deemed to follow the centre line thereof.
- 2) Where a Zoning District boundary is shown as approximately following the boundary of a site, the site boundary shall be deemed to be the boundary of the Zoning District for that portion of the Zoning District boundary which approximates the site boundary.
- 3) Where a Zoning District boundary is shown approximately following Municipal limits, it shall be deemed to be following Municipal limits.

- 4) Where a Zoning District boundary is shown as approximately following the centre of pipelines, railway lines, or utility easements, it shall be deemed to follow the centre line of the right-of-way thereof.
- 5) Where a Zoning District is shown as approximately following a topographic contour line or a top-of-bank line, it shall be deemed to follow the said line. In the event of a change in the said line, it shall be deemed as moving with that line.
- 6) Where a Zoning District boundary is shown as being parallel to or as an extension of features noted above, it shall be so construed.
- 7) Where features on the ground are at variance with those shown on the Zoning District Map or in other circumstances not mentioned above, the Designated Officer shall interpret the Zoning District boundaries. Any such decision may be appealed to Council.
- 8) Where a Zoning District boundary is not located in conformity to the provisions of Section 3.1(1) to Section 3.1(7) of this By-law, and in effect divides or splits a registered parcel of land into more than one Zoning District:
 - a) the disposition of the said boundaries shall be determined by dimensions indicated on the Zoning District Maps or by measurements directly scaled from the Zoning District Maps; and
 - b) each such portion of the said parcel of land shall be used in accordance with the applicable Zoning District regulations of this By-law as if it were a separate site.

3.2 Right-of-Way Boundaries

- 1) Despite anything contained in this By-law, no Zoning District shall be deemed to apply to any public roadway and any public roadway may be designed, constructed, widened, altered, redesigned and maintained in such manner as may be determined by Council.
- 2) Where any public roadway is closed pursuant to the provisions of *The Municipal Act*, as amended, the land contained therein shall there upon be deemed to carry the same Zoning District as the abutting land.
- 3) Despite Section 3.2 (2), where such abutting lands are governed by different Zoning Districts, the centre line of the public right-of-way shall be deemed to be the Zoning District boundary.

4.0 Approval Required for Development

- 1) No person

- a) shall commence, or cause or allow to be commenced, a development without a development permit which has been issued under the provisions of this By-law; or
- b) shall carry on, or cause or allow to be carried on a development without a development permit which has been issued under the provisions of this By-law.

5.0 Other Legislation

5.1 Compliance

- 1) A person applying for, or in possession of, a valid development permit is not relieved from full responsibility for ascertaining and complying with or carrying out development in accordance with:
 - a) the regulations of the *National Building Code* as well as applicable Municipal building regulations and Provincial building code regulations;
 - b) the *MSTW Planning District Development Plan*;
 - c) any other appropriate Federal, Provincial or Municipal legislation; and
 - d) the conditions of any caveat, covenant, site plan, development agreement, variation order or conditional use order, easement or other instrument affecting a building or land.
- 2) Whenever provisions contained in any appropriate Federal, Provincial or Municipal legislation impose overlapping regulations, laws or policies over the use of land, buildings or structures, or contain any restrictions covering any of the same subject matter contained herein, the most restrictive or highest standard shall apply.
- 3) Whenever the provisions of a special agreement or development agreement entered into between the Town of Morden and a developer impose overlapping regulations over the use of land, buildings or structures, or contain any restrictions covering any of the same subject matter contained in this By-law, the most restrictive or highest standard shall govern.
- 4) The Province of Manitoba and the Government of Canada are not bound or restricted by any regulation of this By-law. The said governments are encouraged, however, to permit only those developments that are consistent with the regulations of this By-law.

5.2 Public Utilities and Services

- 1) Nothing in this By-law shall be so interpreted as to interfere with the construction, maintenance and operation of the facilities of any Public Utility Service or Protective and Emergency Service, as defined in this By-law.

- 33) **Dwelling Unit** means one or more self-contained rooms provided with sleeping and cooking facilities, intended for domestic use, and used or intended to be used permanently or semi-permanently as a residence for a household.
- 34) **Dwelling Unit Area** means the total floor area of the dwelling unit contained within the outside surface of the exterior walls. This calculation shall exclude basement or other areas that are below-grade.
- 35) **Elevation, Lot Grade** means either the elevation of the finished ground surface at any specific reference point, at any point on the slope between two specific reference points on a lot, or a combination thereof.
- 36) **Enlargement** means an addition to the floor area of an existing building or structure, or an increase in that portion of a parcel of land occupied by an existing use.
- 37) **Environmental Impact Statement** means a study prepared in accordance with established procedures to identify and assess the impacts of development on a specified feature or system.
- 38) **Extension** means an increase in the amount of existing floor area used for an existing use, within an existing building.
- 39) **Family** means one or more persons related by blood or marriage or common law marriage, or group of not more than four persons who may not be related by blood or marriage occupying a dwelling unit and living together as a single housekeeping unit.
- 40) **Flood Proofed** means the measures taken to ensure that a structure or building is safe from the effects of flooding and includes: no openings of any kind such as windows, doors and vents, or electrical meeting equipment etc. shall be permitted below the flood datums.
- 41) **Flood Risk Area** means that land adjacent to a watercourse that is divided into two parts: the floodway and the floodway fringe. The floodway includes the area where the majority of floodwaters pass. The floodway fringe includes the area outside the floodway that may be subjected to periodic flooding or inundation of floodwaters.

- 42) **Floor Area Ratio** means the ratio of the gross floor area of a building to the area of the lot on which the building is located. The gross floor area of the building excludes:
- basement areas used exclusively for storage or service to the building;
 - parking areas below grade, and
 - floor areas devoted exclusively to mechanical or electrical equipment servicing the development, divided by the area of the site.

The diagram below illustrates how a floor area ratio of 1:1 may be reached in three different ways.

Figure 1: Floor Area Ratio

- 43) **Frontage** means all that portion of a site fronting on a street and measured between side lot lines.

Figure 2: Frontage

6.2 Sign Definitions

Terms and works used in this By-law regarding the regulations of signs, unless the context otherwise requires, are defined as follows:

- 1) **Abandoned Sign** means any sign which no longer correctly identifies a business or the products and services offered on the site where the sign is located, or any sign which is not in a readable state.
- 2) **Animated Sign** means any sign or portion of a sign having moving parts or electronically controlled colour changes which depict action or give motion to the sign.
- 3) **Awning Sign** means a non-illuminated sign painted or stencilled on the fabric surface of a shelter supported entirely from the exterior wall of a building and designed to be collapsible, retractable or capable of being folded against the wall or supporting building.
- 4) **Business Identification Sign** means a sign identifying the name, dealer, franchise, association, primary function, product or service of the commercial activity conducted on the premises, and may include local advertising and changeable copy.

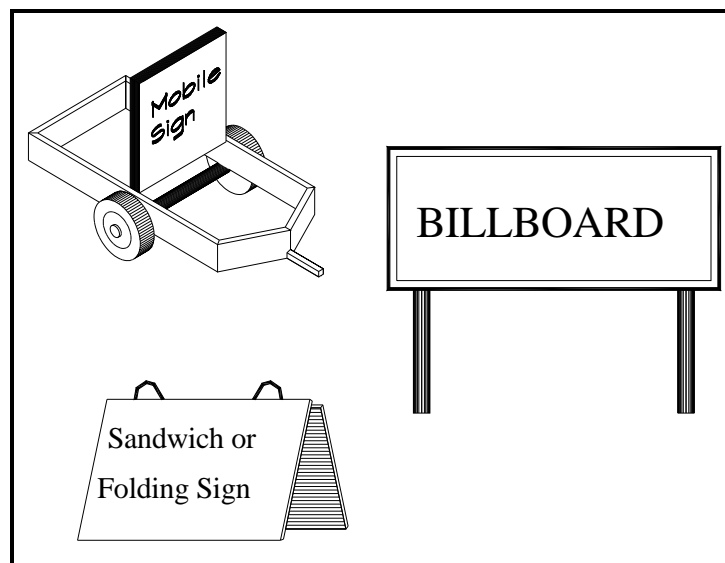

Figure 10: Types of Signs (Mobile, Sandwich, Billboard)

- 5) **Canopy Sign** means a sign attached to, or forming part of, a permanent building projecting or fixed structural framework which extends outward from the exterior wall of a building and which may be roofed over or covered to provide protection over the entrance to a building.
- 6) **Copy** means the letters, graphics or characters which make up the message on sign face.
- 7) **Copy Area** means the total area within one or more rectangles which enclose the entire limits of the copy.

- 8) **Directional Sign** means on-premise or off-site signs providing direction to pedestrian or vehicular traffic without advertising copy, except a business logogram.
- 9) **Electric Sign** means any sign containing electrical wiring or lights built into the sign face which are intended for connection to an electrical energy source.
- 10) **Fascia Sign** means any sign painted on or attached to an exterior building wall so that the sign does not extend more than 40.00 cm. (15.75 in.) out from the wall or beyond the horizontal limits of the wall.
- 11) **Free Standing Sign** means any sign supported independently of a building and permanently fixed to the ground.
- 12) **General Advertising Sign** means a sign which directs attention to a business, activity, product, service or entertainment which cannot be considered as the principal products sold nor a principal business, activity, entertainment, or service provided on the premises where the sign is displayed, and general advertising has a similar meaning.
- 13) **Height (sign)** means the vertical distance measured from the finished ground surface directly under the sign to the highest point of the sign.
- 14) **Identification Sign** means a sign which contains only the name and address of a building, institution or person and the activity carried on in the building or institution, but does not include any other advertising copy.
- 15) **Illuminated Sign** means any sign having only steady illumination of the same intensity by artificial means, either from lighting directed on the sign face or from a light source located within the sign which is transmitted through a transparent or translucent sign face.
- 16) **Mural Sign** means a non-illuminated sign painted on the exterior wall of a building which enhances the visual appearance of the building and does not include business identification or general advertising.

Figure 11: Types of Signs (Ground, Roof, Fascia, Projecting)

- 17) **Official Sign** means a sign required by, or erected pursuant to, the provisions of Federal, Provincial or Municipal legislation.
- 18) **Portable Sign** means a sign greater than 0.50 sq. m. (5.38 sq. ft.) in area that is mounted on a stand or other support structure other than a stationary trailer and is designed in such a manner that the sign can readily be relocated to provide advertising at another location or readily taken on and off a site, and may include copy that can be changed manually through the use of attachable characters, message panels or other means.
- 19) **Projecting Sign** means any sign, except a canopy sign, which is supported by an exterior building wall and projects outward from the building wall by more than 40.00 cm. (15.75 in.).
- 20) **Real Estate Sign** means a sign displaying real estate copy.
- 21) **Roof Sign** means any sign erected upon, against, or above a roof, or on top of or above, the parapet of a building.
- 22) **Sign** means any visual medium, including its structure and other component parts, illuminated or not illuminated, which is used or capable of being used, on a permanent or temporary basis, to identify or convey information, or to advertise or attract attention to a product, service, place, activity, person, institution or business. Without limiting the generality of the foregoing, signs shall include banners, placards, and painted messages.
- 23) **Sign Alteration** means any modification of a sign or supporting structure, excluding the routine maintenance or repainting of a sign or changing the copy on signs specifically designed for this purpose.

- 24) **Sign Area** means the entire area of the sign on which copy is intended to be placed. In the case of double-faced or multi-faced sign, only half of the area of each face of the sign used to display advertising copy shall be used in calculating the total sign area.
- 25) **Sign Structure** means any structure which supports a sign, including materials used to conceal or improve the visual appearance of the structural parts.
- 26) **Temporary Sign** means a sign which is not permanently anchored to a footing extending below grade or permanently affixed to, or painted on, a building and on which the copy has been painted or affixed in a permanent manner. The copy on the sign shall relate to an activity, use or event of limited time duration not exceeding six months. Temporary signs include such signs as political campaign signs, real estate signs, construction identification signs, signs identifying seasonal businesses, signs advertising specific community events, and signs providing temporary identification for developments awaiting installation of a permanent sign. For the purpose of this By-law, temporary signs shall include sandwich and folding signs but not portable signs.
- 27) **Warning Sign** means an on-premise sign providing a warning to the public, including such signs as *No Trespassing* or *Private Driveway* signs.

7.0 Use Class Definitions

- 1) The Use Classes group individual land uses into a specified number of classes, with common functional or physical impact characteristics.
- 2) The Use Classes of this Section are used to define the range of uses which are permitted or conditional within the various Zoning Districts of this By-law.
- 3) The typical uses which may be listed in the definitions are not intended to be exclusive or restrictive. Reference should be made to the definition of the Use Class in determining whether or not a use is included within a particular Use Class.
- 4) Where a specific use does not conform to the wording of any Use Class definition or generally conforms to the wording of two or more Use Class definitions, the Designated Officer may deem that the use conforms to and is included in that Use Class which he/she considers to be the most appropriate in character and purpose. In such a case, this use shall be considered a conditional use, whether or not the Use Class is listed as either a permitted use or conditional use within the applicable Zoning District.

7.1 Residential Use Classes

- 1) **Institutional Residence** means a premise which is intended for the training, treatment, rehabilitation, housing, care and/or supervision of seniors. This Use Class includes nursing homes, personal care homes, residential care homes, attached housing and rehabilitation homes.
- 2) **Mobile Home Dwelling** means a dwelling unit designed for transportation after fabrication, whether on its own wheels or on a flatbed or other trailer, and which arrives at the site where it is to be occupied as a dwelling complete and ready for occupancy, being on the site on wheels, jacks or similar supports, or on a permanent foundation, and having been built in accordance with CSA building regulations and *The Buildings and Mobile Homes Act*. For the purpose of this By-law, the removal of the wheels or permanent or semi-permanent attachment of a foundation to a Mobile Home Dwelling shall not change the classification.
- 3) **Multiple Family Dwelling** means a building containing three or more dwelling units served by common corridors and entrance. Each dwelling unit shall be designed for and used by one family.
- 4) **Planned Unit Development (Residential)** means an area of land used primarily for residential purposes under single ownership or control but including multiple home owners who share the use and financial responsibility of common areas.
- 5) **Semi-Detached Dwelling** means the whole of a building divided vertically into two separate dwelling units, each of which has an independent entrance.
- 6) **Single Attached Dwelling** means one of a group of up to four Single Family Dwellings that are attached, with each dwelling unit having an independent entrance directly from the outside.
- 7) **Single Family Dwelling** means a development consisting of a building containing only one dwelling, which is separate from any other dwelling or building. This Use Class includes a manufactured home dwelling, ready-to-move dwelling and modular home dwelling, but not a Mobile Home Dwelling.

Typical uses include recreational vehicle parks, campsites and tenting grounds.

8.0 Authority and Responsibility of the Designated Officer

8.1 Establishment and Appointment

- 1) The Designated Officer shall be a person or persons appointed by the MSTW Planning District Board or the Council of the Town of Morden to occupy the position of Designated Officer or Municipal Designated Officer.

8.2 Designated Officer and/or Designated Municipal Development Officer Duties and Responsibilities

The Designated Officer and/or Municipal Designated Officer:

- 1) Shall review each development permit application to ascertain whether it conforms to the adopted *MSTW Planning Development Plan* and amendments thereto, all applicable regulations and information regulations of this By-law and amendments thereto, and other Municipal By-laws, the conditions of any caveat, covenant, site plan, development agreement, variance or conditional use order, easement or any other instrument affecting a building or land.
- 2) May refer a development permit application to any municipal, provincial or federal department or any other agency or body, deemed appropriate to obtain comments on the application.
- 3) Shall approve, without any conditions, or with such conditions as are required to ensure compliance, an application for development of a Permitted Use provided the development complies with the regulations of this By-law, or shall refuse an application for development of a Permitted Use if the development does not comply with the regulations of this By-law unless he/she uses his/her discretion pursuant to Section 8.4 of this By-law.
- 4) May give notice of his/her decision on applications for development as follows:
 - a) where an application has been approved notice to the applicant shall be given in writing by ordinary mail; or
 - b) where an application has been refused, notice in writing shall be given to the applicant, by ordinary mail, and such notice shall state the reason for refusal.
- 5) Shall receive, review and process variation, permitted use and conditional use order applications.

- 6) Shall perform other such duties as described or implied elsewhere in this By-law or required by the Planning Board or Council.
- 7) A person who is unsatisfied with a decision or order of the Designated Officer and/or Municipal Designated Officer may request the Planning Board or Council to review the decision or order by written notice within 14 days after the person receives the decision or order.
- 8) After giving the person a reasonable opportunity to be heard, the Planning Board or Council may confirm, vary, substitute or cancel the order or decision.

8.3 Entry for Inspection and Other Purposes

- 1) The Designated Officer or Municipal Designated Officer may, after giving reasonable notice to the owner or occupier of the land or a building or other structure to be entered:
 - a) enter the land, building or structure at any reasonable time for the purpose of administering or enforcing this By-law in accordance with the *Act*;
 - b) request that anything be produced to assist in inspection, remedy, or enforcement; and
 - c) make copies of anything related to the inspection, remedy, or enforcement.
- 2) The Designated Officer or Municipal Designated Officer must display or produce on request identification showing his/her official capacity.
- 3) In an emergency or in extraordinary circumstances, the Designated Officer or Municipal Designated Officer need not give reasonable notice or enter at a reasonable time and may undertake inspection, remedy or enforcement activities referred to in Section 8.3(1) of this By-law without the consent of the owner or occupant.

8.4 Variance to Regulations

- 1) The Municipal Designated Officer may approve, with or without conditions, a minor variation not to exceed ten percent (10%) of the regulations of this By-law governing height, distance, area, size or intensity of use regulations.

8.5 Public Inspection of Applications

- 1) The Designated Officer or Municipal Designated Officer shall ensure that a Register of Applications is maintained, and is made available to any interested person during normal office hours.

8.6 Maintenance and Inspection of By-law

The Designated Officer or Municipal Designated Officer shall:

- 1) Make available to the public during normal office hours copies of this By-law and all subsequent amendments thereto.
- 2) Charge the specified fee for supplying to the public copies of this By-law.

9.0 Responsibilities of Council and the Planning District Board

9.1 Responsibilities of Council and/or the Municipal Designated Development Officer

Subject to the provisions of the *Act*, the Council and/or the Municipal Designated Development Officer are responsible for:

- 1) The enactment of this By-law.
- 2) Considering the adoption or rejection of proposed amendments or the repeal of this By-law.
- 3) Approving or rejecting variation order applications.
- 4) Approving or rejecting conditional use order applications and considering revoking the authorized conditional use order for any violation of any conditions imposed by it.
- 5) Assisting and advising the public with respect to the requirements of the Zoning By-law and other pertinent legislation.
- 6) Receiving completed applications for development permits, variation orders, conditional use orders, and amendments to the Zoning By-law and the issuing of development permits in accordance with the Zoning By-law.
- 7) Issuing zoning memoranda.

9.2 Responsibilities of the Planning District Board and the Designated Officer

Subject to the provisions of the *Act*, the Planning District Board and/or the Designated Officer are responsible for:

- 1) Administering and enforcing those provisions of *the Act*, where applicable.
- 2) Administering and enforcing the provisions of this By-law, where applicable.
- 3) Establishing a schedule of fees and charges for development and building permits. Until all applicable fees and charges have been paid in full, no action need to be taken on any application.

10.0 Duties of the Owner

- 1) Neither the granting of a development permit nor the approval of the drawings and specifications or the inspections made by the Designated Officer shall in any way relieve the owner of the responsibility of complying with the regulations of this By-law or of any relevant By-laws of the Town of Morden.
- 2) Every owner shall:
 - a) permit the Designated Officer to enter any building or premises for the purpose of administering or enforcing this By-law at all reasonable times and with the consent of the owner in accordance with Section 8.3 of this By-law;
 - b) after the development application has been approved and the permit issued, notify the Designated Officer and obtain his/her approval before doing any work at variance with the approved documents filed; and
 - c) be responsible for obtaining, where applicable, from the appropriate authorities, permits or licenses relating to the buildings, grades, plumbing, blasting, street, occupancy, electrical, highways, and all other permits required in connection with the proposed work.

11.0 Development Classes

The following classes of development are hereby established.

- | | | |
|----|---------|--------------------------------|
| 1) | Class A | No Development Permit Required |
| 2) | Class B | Permitted Use |
| 3) | Class C | Conditional Use |

11.1 Class A Development (No Development Permit Required)

No development permit is required under this By-law for the developments listed below, provided that such developments shall comply with the Permitted Use and

regulations of this By-law. This does not relieve the applicant or landowner from obtaining approvals from other government agencies. For a development listed below, the Designated Officer shall advise the applicant that no permit is required and return the submission, including any fees paid. Developments exempted from applications are as follows:

- 1) Regular maintenance and repair of any development provided it does not include structural alterations.
- 2) Private driveways and patios which are accessory to a development.
- 3) A fence, wall, or gate not exceeding 2.00 m. (6.56 ft.) in height.
- 4) An accessory building that:
 - a) is less than 10 sq. m. (107.64262 sq. ft.) in area;
 - b) does not exceed 4.57 m. (15.00 ft.) or one storey in height; and
 - c) is not considered a hazard by the Designated Officer.
- 5) An unenclosed deck or a deck enclosed by a rail or parapet wall and a wheelchair ramp, all of which having a floor less than 0.61 m. (2.00 ft.) above grade unless it is anchored to the building.
- 6) Landscaping where the existing grade and natural surface drainage pattern is not materially altered.
- 7) The erection or placement of a temporary building, the sole purpose of which is incidental to the erection of a building for which a development permit has been granted, provided the temporary building is removed within 30 days of substantial completion or as determined by the Designated Officer.
- 8) The following types of signs are exempt but this shall not relieve the owner or person in control of such signs from erecting and maintaining the signs in a safe and good condition:
 - a) signs of less than 0.60 sq. m. (6.46 sq. ft.) in area, advertising the sale, lease, or rent of property, premises, or buildings on that site;
 - b) memorial signs or tablets of bronze, brass, stone or other non-combustible materials when built into or attached to the walls of a building or other structure provided such tablets bear only the name of the owner, the name and use of the building, the date of erection of the building or reading matter commemorating a person or event;

- c) signs of a duly constituted governmental body, including traffic or regulating devices, legal notices, railway crossing, danger or other emergency signs;
 - d) one real estate sign;
 - e) non-illuminated directional signs, each sign not to exceed 0.50 sq. m. (5.38 sq. ft.) in sign area;
 - f) signs posted by duly constituted public authorities in performance of their public duties;
 - g) flags or emblems of a political, civic, educational or religious organization; and
 - h) Signs required by law, government order or regulation.
- 9) The use of farmland, farm buildings and structures for permitted agricultural activities, excluding livestock operations.
- 10) When a change in land use is from one agricultural activity to another, excluding livestock operations.
- 11) Temporary buildings, structures and uses associated with fairs, events, games, exhibitions, public markets, sales in public places, transient traders and similar provided the necessary licenses under The Municipal Act and/or The Buildings and Mobile Homes Act are obtained as required.
- 12) Public and private communications facilities or towers not exceeding 10.67 m. (35.00 ft.) above grade.

12.0 Development Permit Application Submissions

12.1 General Conditions

- 1) An application for a development permit shall not be considered to have been received until the applicant has submitted all information required pursuant to this Section of the By-law, and any information specifically required pursuant to the regulations of the applicable Zoning District or any other Section of this By-law and until the applicant has paid the appropriate fee.
- 2) Despite Section 12.1(1) of this By-law, the Designated Officer may consider an application if the development is of such a nature as to enable a decision to be made on the application without all of the information required in this Section of the By-law.
- 3) The Designated Officer may require an applicant to submit such additional information as he/she considers necessary to verify the compliance of the proposed use or development with the regulations of this By-law.

- 4) Despite Section 11.1(4) of this By-law, a development permit for an accessory building cannot be issued unless a development permit for the main building has also been issued.
- 5) The approval of any application, drawings, or the issuing of a development permit shall not prevent the Designated Officer from thereafter requiring the correction of errors, nor from prohibiting the development being carried out when the same is in violation of this By-law.
- 6) Where an application for a development permit is determined to contain incorrect information, no development permit shall be issued until the applicant corrects such information.
- 7) Any development permit issued on the basis of incorrect information contained in the application shall be invalid.
- 8) Unless otherwise specified in this By-law, all drawings submitted shall be drawn on substantial standard drafting material to a scale of not less than 1:100 or such other scale as the Designated Officer may approve, and shall be fully dimensioned, accurately figured, explicit and complete.

12.2 Class B Developments (Permitted Use)

The following information shall be submitted with an application for Class B (Permitted Use) developments, and the appropriate application form fully and accurately completed in accordance with the following regulations:

- 1) The municipal address of land and buildings presently occupying the site, if any.
- 2) A status of Title.
- 3) A legal description of the land on which the proposed development is to occur, by lot, block, subdivision and registered plan numbers.
- 4) The applicant's name, address and interest in the land and if the applicant is not the landowner, a letter from the landowner authorizing the applicant to apply for a development permit.
- 5) A sketch plan of the site, showing the location of the proposed development relative to the boundaries of the site.
- 6) Description of the work to be performed with respect to:
 - a) change in current occupancy of land use; or

- b) description of proposed development or building operations.
- 7) Identification of the scale of the development with respect to:
 - a) gross floor area of the development in square metres;
 - b) area of the site covered in square metres;
 - c) height of the structure in metres;
 - d) number of floors or storeys; and
 - e) number of dwelling units.
- 8) The estimated value, in dollars, of the proposed work.
- 9) A site plan, at a minimum scale of 1:500, showing the following:
 - a) a directional true north arrow with the north point located in such a manner that the true north is in the upper position of the drawings;
 - b) setbacks and yard dimensions;
 - c) site boundaries and dimensions;
 - d) the location of all buildings or structures in relation to property lines; and
 - e) dimensioned layout of existing and proposed parking areas, driveways, entrances and exits, abutting public roadways, median breaks and auxiliary lanes.
- 10) Identification of the scale of the development with respect to the number of dwellings, or establishments for commercial, industrial or other purposes.
- 11) If required by the Designated Officer, a site plan at a minimum scale of 1:500, showing:
 - a) the location of sidewalks and walkways; where applicable, parking, loading, storage, outdoor service and display areas; and
 - b) the location of fences, screening, retaining walls, trees, landscaping, and other physical features both existing and proposed in the site and adjoining boulevard, if any.
- 12) Floor plans at minimum scale of 1:100, indicating all uses or occupancies, storage and garbage holding areas.
- 13) Elevations and drawings, indicating sections and the bulk of buildings, at a minimum scale of 1:100.
- 14) Number of parking and loading spaces required and provided.
- 15) A building location certificate, if required by the Designated Officer.

12.3 Class C Developments (Conditional Use)

In addition to two copies of the information required for Class B (Permitted Use) developments, the applicant shall submit two copies of the following for Class C (Conditional Use) developments:

- 1) A plan showing the location of adjacent buildings and structures indicating the approximate height and number of storeys.
- 2) A written statement and other supportive material explaining the proposed development.

12.4 Sign Developments

The following information shall be submitted, in duplicate, with an application for a development permit for a sign, and the appropriate application form shall be fully and accurately completed:

- 1) The municipal address and legal description of the land or building where the sign is to be erected.
- 2) The applicant's name, address, telephone number and interest in the land.
- 3) The name of the business or development where the sign is to be erected.
- 4) Whether the development where this sign is to be erected is single business occupancy or multiple business occupancy development.
- 5) A letter from the owner of the property on which the sign is to be erected, or his/her agent, authorizing the applicant's sign development.
- 6) Two sets of working drawings for the proposed sign showing:
 - a) the overall dimensions of the sign, including all sign boxes and cabinets;
 - b) a description or illustration of the copy to be displayed on the sign;
 - c) the method of illumination, if any;
 - d) the materials from which the sign is to be constructed; and
 - e) method used to support the sign and the type of wall construction if the sign is anchored to a building.
- 7) Two sets of a sketch plan showing:
 - a) the location of the sign on the building;
 - b) the clearance from grade from the lowest portion of the sign;

- c) maximum extension of the sign above the building roof or parapet wall;
- d) the distance of the maximum projection of the sign beyond the building wall; and
- e) any sidewalks, pedestrian passageways, or public roadways that the proposed sign will extend over.

13.0 Special Information Regulations

13.1 Slope and Soil Information

- 1) When an application for a development permit is submitted to the Designated Officer for the development of a site abutting a water course and Municipal drain, the Designated Officer may require, in consultation with a Certified Professional Engineer of Manitoba, information regarding the existing and proposed grades at 0.25 m. (0.82 ft.) contour intervals. The final grades shall be to the satisfaction of the Designated Officer and in accordance with the Town of Morden Lot Grade By-law, as amended.
- 2) Despite anything contained herein, the Designated Officer may require a detailed engineering study of the soil conditions prepared by a Certified Professional Engineer of Manitoba prior to the issuance of a development permit or the construction of any development abutting a water course and Municipal drain. If required, the engineering study may be required to include evidence derived from:
 - a) test borings (including hydro-carbon analysis);
 - b) ground water piezometer test;
 - c) slope indicators where necessary;
 - d) identification of any sub-surface mining operations;
 - e) water erosion analysis;
 - f) surface erosion analysis; and
 - g) hydro-carbon analysis.

The detailed engineering study shall conclude with the registered Professional Engineer certifying that the foundations proposed for the development are designed with full knowledge of the soil conditions and the proposed siting of the development upon this site.

- 3) The Designated Officer may require the submission of a detailed engineering study as outlined in Section 13.1(2) of this By-law prior to the issuance of a development permit at any location within the Municipality which in the opinion of the Designated Officer or Certified Professional Engineer of Manitoba has unstable soil conditions.
- 4) The Designated Officer, having required a detailed engineering study of

the soil conditions may, acting on the advice of the Certified Professional Engineer of Manitoba, apply conditions to the approval of the development permit to prevent erosion, stabilize soil conditions and ensure proper land drainage.

14.0 Conditions Attached to a Development Permit

- 1) The Designated Officer, the Planning Board or Council may impose, with respect to a permitted use, such conditions as are required to ensure compliance with this By-law.
- 2) Council may, with respect to a conditional use, impose such conditions as deemed appropriate, having regard to the regulations of this By-law, other municipal, provincial and federal government regulations, and matters raised at the conditional use hearing.
- 3) The Designated Officer or Council may, as a condition of issuing a development permit, require the applicant to make satisfactory arrangements for the supply of electric power, vehicular and pedestrian access, or any of the aforementioned, including payment of the costs of installation or constructing any such utility or facility by the applicant.
- 4) The Designated Officer or Council may, as a condition of issuing a development permit require that an applicant enter into an agreement or an interim agreement, which shall be attached to and form part of such development permit, to do all or any of the following:
 - a) to construct, or pay for the construction of, or improvement to, a public roadway required to give access to the development;
 - b) to specify the location and number of vehicular and pedestrian access points to sites from public roadways, including the construction, or payment for the construction thereof or improvements thereto;
 - c) to install, or pay for the installation of, utilities that are necessary to serve the development, or pay the recovery costs of services which have already been installed;
 - d) to repair, improve or reinstate, or to pay for the repair, improvement or reinstatement, of any street furniture, curbing, sidewalk, boulevard landscaping and tree planting which may be damaged or destroyed or otherwise harmed by the development or building operations upon the site; and
 - e) to construct, or pay for the construction of, or improvement to, land drainage works that are necessary to serve the development.

- 5) The Designated Officer or Council may require any agreement entered into pursuant to Section 14.0 (4) of this By-law to be caveated against the title to the site at the Land Titles Office.

15.0 Enforcement and Penalties

15.1 Offences

- 1) Any owner, lessee, tenant or occupant of land, or a building or a structure thereon, who, with respect to such land, building or structure contravenes; or causes, suffers or permits a contravention of, any provision of the *Act*, a development permit, a development agreement or this By-law commits an offence.
- 2) Any contractor, worker, or other person who constructs a building or structure, or makes an addition or alteration thereto:
 - a) for which a development permit is required but has not been issued or is not subsisting under this By-law; or
 - b) in contravention of a condition of a development permit issued under this By-law;commits an offence.

15.2 Penalties

- 1) Fines and penalties will be imposed as per the *Act*.

15.3 Suspension or Revocation of the Development Permit

- 1) The Designated Officer or Municipal Designated Officer may suspend or revoke a development permit where:
 - a) the applicant fails to comply with the conditions of issuance of a permit; or
 - b) any person undertakes or causes or permits any development on a site contrary to the terms or conditions of a permit; or
 - c) the development has not been established or partially established as determined by the one year after issuance of the permit; or
 - d) the permit was issued in error; or
 - e) the permit was issued on the basis of incorrect information.
- 2) Any person who undertakes, or causes or permits, any development on a site without a permit, or after a permit has been suspended or revoked, shall discontinue such development forthwith upon notice in writing issued by the Designated Officer or Municipal Designated Officer so requiring, and shall not resume such development unless a permit has been

issued or the permit reinstated.

16.0 Rezoning Amendments

16.1 Text and Mapping Amendments

- 1) Any person applying to amend Parts I, II, III and IV of this By-law shall apply in writing to the Municipal Designated Officer, furnishing reasons in support of the application and requesting that the Municipal Designated Officer submit the application to the Council.
- 2) If a person applies to the Council in any manner for an amendment to Parts I, II, III and IV of this Zoning By-law, the Council shall require him/her to submit his/her application to the Municipal Designated Officer in accordance with the provisions of this Section of the By-law before it considers the amendment proposed by such person.
- 3) Any person applying to amend Part III of this By-law to change the Zoning District governing any land shall apply in writing to the Municipal Designated Officer and submit the following to the Municipal Designated Officer:
 - a) a status of Title which has been issued no later than 30 days prior to the receipt of the amendment application by the Municipal Designated Officer;
 - b) the applicant's name, signature, address and interest in the land and if the applicant is not the landowner, a letter from the landowner authorizing the applicant to apply for a zoning by-law amendment;
 - c) a signed statement by the applicant stating that he/she is willing to pay for all costs incurred by the Municipality in processing the proposed amendment, whether it be enacted or not, including, but not limited to, all mapping, printing, reproduction, planning, engineering, legal, surveys and advertising costs;
 - d) the appropriate application fee; and
 - e) a brief written statement by the applicant in support of his/her application, and his/her reasons for applying.

16.2 Review and Processing of Amendments

- 1) Upon receipt of an application for a rezoning amendment, the Municipal Designated Officer shall forward the application to Council for review.
- 2) If Council deems it appropriate to give the application first reading, the Municipal Designated Officer shall then examine the proposed amendment or undertake an investigation and analysis of the potential impacts of development under the proposed Zoning District. The analysis

shall be based upon the full development potential of the uses and development regulations specified in the proposed Zoning District and not on the merits of any particular development proposal. The analysis may, among other things, consider the following impact criteria:

- a) relationship to and compliance with the *MSTW Planning District Development Plan* and Council policy;
 - b) compatibility with surrounding development in terms of land use function and scale of development;
 - c) traffic impacts;
 - d) relationship to, or impacts on utility services and public facilities such as recreational facilities and schools;
 - e) relationship to Municipal land, right-of-way or easement regulations;
 - f) effect on stability, retention and rehabilitation of desirable existing uses, buildings, or both in the area;
 - g) necessity and appropriateness of the proposed Zoning District in view of the stated intentions of the applicant;
 - h) relationship to the documented concerns and opinions of area residents regarding the application;
 - i) groundwater and soil conditions; and
 - j) topographical, physical and natural features.
- 3) The Municipal Designated Officer may prepare a written report on the proposed amendment and advise the applicant of the hearing date.
 - 4) The Municipal Designated Officer, in his/her discretion, may present for the consideration of Council any proposed amendment to this By-law, and the proposed amendment shall be accompanied by the report and recommendation of the Designated Officer.
 - 5) Council, in its discretion, may initiate any amendment to this By-law, and prior to the approval of any amendment, Council may refer the proposal to the Municipal Designated Officer for his/her report and recommendation.
 - 6) Every rezoning application shall be accompanied by the required fee as set out by the Planning Board or Council.
 - 7) When a Development and/or Zoning Agreement is to be entered into between the Municipality and the applicant, the applicant shall pay to the Municipality, in addition to any other fee required pursuant to this or any other By-law, a Development and/or Zoning Agreement fee.

16.3 Notification of Amendments

- 1) Prior to consideration by Council of a proposed rezoning amendment, the

Municipal Designated Officer shall place a public notice in compliance with the *Act*.

17.0 Conditional Uses

- 1) Where a use is classified as a conditional use and exists as an allowable use at the date of the adoption of this By-law or amendments thereto, it shall be considered as a legally existing conditional use.
- 2) Any change in a conditional use shall be subject to the provisions of this Section and the appropriate provisions of the *Act*.
- 3) An owner or his/her agent may file an application to use land for a use listed as a conditional use in this By-law.
- 4) An application for approval of a conditional use shall be filed with the Municipal Designated Officer and shall be in such form and accompanied by such information and fees as determined by Council.
- 5) Council may request the Municipal Designated Officer to prepare a written report that identifies potential impacts. The analysis may be required to, among other things, consider the following impact criteria:
 - a) relationship to and compliance with the *MSTW Planning District Development Plan* and Council policy;
 - b) compatibility with surrounding development in terms of land use function and scale of development;
 - c) traffic impacts;
 - d) relationship to, or impacts on utility services and public facilities such as recreational facilities and schools;
 - e) relationship to Municipal land, right-of-way or easement regulations;
 - f) effect on stability, retention and rehabilitation of desirable existing uses, buildings, or both in the area;
 - g) relationship to the documented concerns and opinions of area residents regarding the application;
 - h) groundwater and soil conditions; and
 - i) topographical, physical and natural features.
- 6) Prior to consideration by Council of a conditional use application, the Municipal Designated Officer shall place a public notice in compliance with the *Act*.
- 7) An application for a conditional use shall be processed and approved or rejected in accordance with the *Act*. If warranted, Council may want to consider imposing conditions to ensure that the proposed development will not significantly impact the Municipality. This could include:

- a) additional buffering measures such as increased yard setbacks, berms and fencing;
 - b) performance standards dealing with such potential impacts as noise, odour and vibration;
 - c) limiting the hours of operation;
 - d) imposing design and siting regulations including landscaping, outdoor lighting, refuse and storage areas, and building design and architectural appearance;
 - e) the owner/applicant upgrading certain municipal services such as roads and ditches;
 - f) a letter of credit related to municipal improvements such as road or drainage works;
 - g) liability insurance protecting the Municipality from any future legal claims, including environmental contamination to water sources; or
 - h) the owner/applicant entering into a development agreement with the Municipality.
- 8) The approval of Council shall expire and cease to have any effect if it is not acted upon within twelve months of the date of the decision, unless it is renewed at the discretion of Council for one additional period not exceeding twelve months.
- 9) A conditional use approval expires if the use begins operations within two (2) years of the date of approval but later ceases operations for two (2) consecutive years unless otherwise specified in the terms of approval due to special conditions.
- 10) Unless otherwise provided in a Conditional Use Order, all approved conditional uses:
- a) shall be operated in accordance with all plans and documents submitted as part of the application; and
 - b) shall comply with all other applicable provisions of this By-law.

18.0 Variation Orders

- 1) Any person who is of the opinion that this By-law injuriously or adversely affects him/her or his/her property rights, may at any time apply for a variation order, in accordance with the provisions of the *Act*.
- 2) An application for a variation order shall be filed with the Municipal Designated Officer, and shall be in such form and accompanied by such information and fees as determined by the Municipal Designated Officer or Council.

- 3) Prior to consideration by Council of a proposed variation order, the Municipal Designated Officer shall place a public notice in compliance with the *Act*. Council may request the Municipal Designated Officer to prepare a written report that assesses the merits and implications of the proposed application.
- 4) An application for a variation order shall be processed and approved or rejected in accordance with the provisions of the *Act*. As a condition of approval, Council may require that the owner/applicant enter into a development agreement with the Municipality.
- 5) The approval of Council shall expire and cease to have any effect if it is not acted upon within twelve months of the date of the decision, unless it is renewed at the discretion of Council for one additional period not exceeding twelve months.

19.0 Subdivisions

- 1) Subject to Section 19.0 (2) and 19.0 (3) of this By-law, no parcel of land shall hereafter be divided into sites, unless each site conforms to the regulations of the Zoning District in which the site is located.
- 2) Council may, as provided in the *Act*, vary the regulations as they apply to an individual site, subject to complying with the objectives and policies of the *MSTW Planning District Development Plan*.
- 3) An existing undersized lot may be increased in area or frontage, or both, and still remain an existing undersized lot if after the increase the lot still remains undersized.
- 4) In addition to the requirements contained herein, all subdivisions shall conform to the provisions of the *MSTW Planning District Development Plan*, and the provisions of the *Act*, where applicable.
- 5) An application for a subdivision shall be processed and approved or rejected in accordance with the provisions of the *Act*. As a condition of approval, Council may require that the owner/applicant enter into a development agreement with the Municipality.

20.0 Applicability

- 1) The General Development Regulations apply to any development on any site, irrespective of the Zoning District in which it is located.

21.0 Yards on Corner Lots and Through Lots

- 1) In the case of a corner lot, the front yard shall be the yard abutting the front lot line.
- 2) Despite Section 21.0(1) of this By-law, the Designated Officer may require any corner lot to provide an additional front yard or yards other than that required, having regard to the orientation and access of adjacent developments.
- 3) The Designated Officer may require a through lot to provide a front yard on each public roadway, other than a lane, provided that at least one front yard shall be provided.

22.0 Projections into Yards

22.1 Projections into Required Front, Side and Rear Yards

The following features may project into a required yard as provided for below:

- 1) Uncovered walks, wheelchair ramps, trellises, flagpoles, lighting fixtures and lampposts.
- 2) Verandas, porches, eaves, shade projections, unenclosed steps, cantilevers, chimney or parts of a chimney, belt courses, sills, together with any other architectural features which, in the opinion of the Designated Officer, are of a similar character, provided such projections do not exceed 0.61 m. (2.00 ft.) in any case, cannot be closer than 2' to the property lines in all Residential Zones.
- 3) Bay, oriel, or similar windows, provided that such projections do not exceed 0.61 m. (2.00 ft.).
- 4) Balconies, provided with such projections do not exceed 0.61 m. (2.00 ft.).
- 5) Any loading space required under the regulations of this By-law, provided it shall not be in a required front yard.
- 6) A parking area when comprised of parking spaces required under this By-law, provided that no parking area in any Zoning District shall be located within the first 4.57 m. (15.00 ft.) of a required front yard. This shall not

prohibit the use of a required front yard for such walkways and driveways as the Designated Officer considers necessary.

23.0 Objects Prohibited or Restricted in Certain Residential Districts

No person shall keep in any part of a site in the RS-1 and RS-2: Residential Single Family, RT: Residential Two-Family, RM: Residential Multiple Family, RMH: Residential Mobile Home, and RC: Residential Comprehensive Zoning Districts:

- 1) Any commercial vehicle, loaded or unloaded, of a maximum weight exceeding 6,804.00 kg. (15,000.00 lb.) gross vehicle weight.
- 2) Any dismantled or wrecked vehicle for more than fourteen consecutive days unless otherwise authorized under *The Derelict Vehicle By-law*.
- 3) Any object or chattel which, in the opinion of the Designated Officer or Council, is unsightly or tends to adversely affect the amenities of the area.
- 4) Any above-ground or below-ground Bulk Storage Facility.

24.0 Fences and Hedges

24.1 General

- 1) A fence and/or hedge shall be permitted in a required yard.
- 2) The permitted height of any fence and/or hedge can be increased or decreased at the discretion of the Designated Officer to reflect the grade of surrounding sites.
- 3) Electric, barbed wire fences and snow fences shall not be permitted in any district except in the case of Commercial and Industrial Use Class developments where the top 0.60 m. (2.00 ft.) of the fence may be barbed wire for security purposes. Notwithstanding this provision, snow fences may be placed on property where necessary as determined by the Municipal Designated Officer.

24.2 Fences and/or Hedges in Certain Residential Districts

A fence and/or hedge in the RS-1 and RS-2: Residential Single Family, RT: Residential Two-Family, RM: Residential Multiple Family, RMH: Residential Mobile Home, and RC: Residential Comprehensive Zoning Districts:

- 1) Shall not be higher, measured from the general ground level at a distance of 0.61 m. (2.00 ft.) from within the lot line of the site on which the fence is to be constructed, than:

- a) 1.22 m. (4.00 ft.) in a required front yard; and
- b) 2.00 m. (6.56 ft.) in a required side or rear yard.

24.3 Fences and/or Hedges in the Other Zoning Districts,

A fence and/or hedge in the other Zoning Districts not referred to in Section 24.2 of this by-law, excluding the RR: Rural Residential Zoning District:

- 1) Shall not be higher than:
 - a) 1.22 m. (4.00 ft.) in a required front yard subject to the limitations set out in Section 38.5 (1); and
 - b) 2.00 m. (6.56 ft.) in a required side or rear yard subject to the limitations set out in Section 38.5 (1);.
- 2) Notwithstanding the above, the maximum height of a fence and/or hedge for Public Education Service, Private Education Service, Public Utility Service or Public Park Use Class developments shall be 3.05 m. (10.00 ft.), excepting chain link fences for which there shall be no height limitation.
- 3) Notwithstanding the above, for Industrial and Commercial Use Class developments:
 - a) the maximum height of a fence and/or hedge located in a rear yard shall be 3.66m. (12.00 ft.); and
 - b) outside storage shall not be allowed to project above the height of the fence and/or hedge.
- 4) Permitted materials for the construction of fences in any zoning district shall include:
 - a) 1.90 cm. (0.75 in.) thick douglas fir, cedar or hemlock;
 - b) polyvinyl chloride;
 - c) ornamental block;
 - d) brick;
 - e) metal;
 - f) combination of the above materials; and
 - g) any other material, subject to an illustration by a certified engineer, architect or landscape architect to the satisfaction of the Municipal Designated Officer or Council.

25.0 Accessory Uses, Buildings and Structures

25.1 General Regulations

- 1) Accessory developments are permitted when accessory to a permitted use.

- 2) Accessory developments are conditional when accessory to a conditional use.
- 3) Where any building or structure on a site is attached to a principal building on the site by a roof, an open or enclosed structure above grade, a floor or a foundation which is above grade, or any structure below grade allowing access between the buildings such as a parking garage or a corridor or passageway connecting the buildings, it is a part of the building and is not an accessory building.
- 4) No accessory building or structure shall be constructed on any site prior to the time of construction of the principal building to which it is accessory except where it is necessary for the storage of the tools and materials for use during construction of the main building or structure or is essential to the construction of the main building.
- 5) No accessory building or structure shall be used as a dwelling unit.
- 6) No accessory building or structure shall be located within a dedicated easement or right-of-way.
- 7) Any garage that is either attached or free standing shall not have a door height exceeding 3.05 m. (10.00 ft.).
- 8) Accessory buildings in Residential Zoning Districts without direct access to a public road and/or with no garage door shall have a maximum area of 27.87 sq. m. (300.00 sq. ft.). Where there is no direct access to a public street, an accessory building shall not have a garage door greater than 2.14 m. (7.00 ft.) in width.

25.2 Accessory Buildings in Certain Residential Districts

In the RS-1 and RS-2: Residential Single Family, RT: Residential Two-Family, RM: Residential Multiple Family, RMH: Residential Mobile Home, and RC: Residential Comprehensive Zoning Districts:

- 1) Accessory buildings and structures shall be located on a site as follows:
 - a) where the accessory building is attached to a main building, it shall be subject to, and shall conform to, all regulations of this By-law applicable to the principal building; and
 - b) where the accessory building is detached from the principal building, it shall not be located closer than 3.05 m. (10.00 ft.) clear of all projections to the principal building, nor shall it be located closer to a public roadway than the front wall of the principal building; unless located in a RMH Residential Mobile Home zone,

then the accessory building may be located closer to a public roadway than the front wall of the principal building.

25.3 Accessory Buildings in the Other Zoning Districts

- 1) Accessory buildings or structures shall be subject to the regulations for that Zoning District.
- 2) Notwithstanding Section 25.3(1) of this By-law, the maximum height of accessory buildings or structures on a site which abuts a site in the RS-1 and RS-2: Residential Single Family, RT: Residential Two-Family, RM: Residential Multiple Family, RMH: Residential Mobile Home, and RC: Residential Comprehensive Zoning District shall not be greater than the height of the principal buildings permitted in the said abutting Zoning District.

25.4 Temporary Buildings, Structures and Uses

- 1) A development permit for a temporary building, structure or use shall be subject to such terms and conditions as required by Council or the Designated Officer.
- 2) Each development permit issued for a temporary building, structure or use shall be valid for a period of not more than twelve months and may not be renewed for more than one successive period at the same location.
- 3) In all cases, temporary buildings and structures shall not exceed 92.90 sq. m. (1,000.00 sq. ft.) in area and one storey or 4.57 m. (15.00 ft.) in height, and:
 - a) may be used as an office space for the contractor or developer;
 - b) may be used as a temporary placement of concrete and asphalt batch plants that are incidental to and necessary for highway construction and maintenance.
 - c) shall not be used for human habitation, except as temporary accommodation for a caretaker, watchman or construction workers; and
 - d) shall not be detrimental to the public health, safety, convenience and general welfare, nor detract from the aesthetic value of the neighbourhood.
 - e) may be used for storage of construction materials and equipment incidental to and necessary for construction.

26.0 Lighting of Sites

Outdoor lighting for any development:

- 1) Shall be low-glare in nature and located and arranged so that no direct rays of light are directed at any adjoining properties, or interfere with the effectiveness of any traffic control devices.
- 2) If ground mounted, the maximum height shall be 6.10 m. (20.00 ft.).

27.0 Height

- 1) In determining whether a development conforms to the maximum height permissible in any Zoning District, the following features, when attached or affixed to the principal dwelling, shall not be considered for the purpose of height determination: chimney stacks, steeples, belfries, domes or spires, monuments, elevator housings, roof stairway entrances, water or other tanks, ventilating equipment, skylights, fire walls, receiving or transmitting structures, masts, flag poles, clearance markers or other erections which are considered to be similar by the Designated Officer.

28.0 Access to Sites

- 1) All access locations and curb crossings on Municipal Roads shall require the approval of the Municipal Designated Officer or Municipal Engineer.
- 2) No more than one (1) driveway shall be constructed for each dwelling unit and the driveway shall not have more than one (1) access to and from an abutting street and such access shall not be to and from more than one (1) street. Where a lot abuts on two (2) streets, access shall be restricted to the street it abuts for the shorter distance. Any driveway to permit access to lots shall be installed by the owner of the lot together with a crossing from the street to each site. All approaches shall be approved by the Town of Morden in accordance with existing municipal standards.
- 3) Permits for developments adjacent to control areas of the provincial highway system shall be required from the appropriate Provincial government agency.
- 4) The following regulations shall apply to off-street parking areas for all commercial uses requiring the provision of vehicular entrances and exit to the site:
 - a) Access to the site for vehicles shall be only by way of entrances and exits provided in accordance with the following:

Minimum width of an entrance or exit	4.57 m. (15.00 ft.)
Minimum width of a combined entrance and exit	7.62 m. (25.00ft.)
Maximum width of an entrance and exit	7.62 m. (25.00 ft.)
Maximum width of a combined entrance and exit	10.67 m. (35.00 ft.)

Minimum distance between any part of an entrance, exit or combined entrance and exit, and the intersection of street site lines or the intersection of a street site line and a side site line on a public lane 4.57 m . (15.00 ft.)

29.0 Hard Surfacing of Parking and Loading Areas

- 1) Every off-street parking and loading space provided or required in the following districts shall be hard surfaced if such area lies in front of the principal building:
 - CC : Commercial Central
 - CH: Commercial Highway
 - CN: Commercial Neighbourhood
 - CHR: Commercial Highway Restricted
 - CH-1: Commercial Highway

- 2) Every off-street parking and loading space provided or required in the following districts, including the access thereto, shall be hard surfaced if the access is from a public roadway which is hard surfaced:
 - CC: Commercial Central
 - CH: Commercial Highway
 - CN: Commercial Neighbourhood
 - CHR: Commercial Highway Restricted
 - CH-1: Commercial Highway
 - MB: Industrial Business

- 3) Any area at the rear of the principal building provided or required for off-street parking and loading space need not be hard surfaced, but shall be of such a surface that will minimize the carrying of dirt or foreign matter onto the public roadway in the following districts:
 - CC: Commercial Central
 - CH: Commercial Highway
 - CN: Commercial Neighbourhood
 - CL: Commercial Highway Restricted
 - CH-1: Commercial Highway
 - MB: Industrial Business
 - MG: Industrial General

30.0 Landscaping

30.1 Landscaping in Commercial, Industrial, Community, Educational, Recreational and Cultural Service and Residential Use Class Developments (excluding Single Family and Two Family Dwellings)

- 1) A landscaping plan is required and no landscaping work shall be commenced unless the landscaping plan is approved by the Designated Officer.
- 2) A landscaping plan shall contain the following information for the site and adjacent boulevards:
 - a) all physical features, existing or proposed, including vegetation, berm contours, walls, fences, outdoor furniture and fixtures, surface utilities, and paving; and
 - b) all shrubs and trees, whether existing or proposed, labelled by their common name, botanical name, and size.
- 3) Notwithstanding the regulations of Section 30.1 [2(b)] of this By-law, the Designated Officer may consider an application if, in his/her opinion, the development is of such a nature as to enable the decision to be made on the application without all of the information.
- 4) In the event that planting material required in an approved development is inappropriate or fails to survive, the Designated Officer may allow or require alternative materials to be substituted.
- 5) The applicant shall be responsible for landscaping and proper maintenance. The Designated Officer shall require, as a condition of approval, that the applicant provide an irrevocable letter of credit in the amount of 100.00 percent of the estimated landscaping cost, the condition of the said irrevocable letter of credit being that, if the landscaping is not completed in accordance with this By-law and the plan within one growing season after the completion of the development, then the amount required to complete the landscaping shall be paid to the Municipality from the said irrevocable letter of credit.
- 6) Where landscaping is required as part of any Commercial Use Class development, trees shall be provided on the basis of a minimum one tree for each 45.00 sq. m. (484.59 sq. ft.) of any required yard at grade.
- 7) All required yards and all open spaces on Commercial and Industrial Use Class developments, excluding parking spaces, on-site circulation, outdoor storage, display and service areas, shall be landscaped in accordance with the landscaping plan. This shall include appropriate screening of utility facilities.

- 8) All plant material required shall be hardy to the location on the site where they are planted. The horticultural standards of the Canadian Nursery Trades Association shall be used as a reference in selecting plants.
- 9) For Commercial Use Class developments, deciduous trees shall be at least 63.00 mm. (2.50 in.) caliper when planted and evergreen trees shall have a minimum height of 2.50 m. (8.20 ft.) when planted.

30.2 Landscaping for Parking and Storage Areas

- 1) Where off-street parking for fifty or more vehicles is provided at grade on a site, there shall be landscaped open space within the parking area. Landscaped open space in the parking areas shall be provided in the minimum amount of 1.50 sq. m. (16.15 sq. ft.) for each parking space. The required landscaping shall not be located in one area, and shall be placed within the parking area so as to break up large areas of parking and to provide visual relief.
- 2) A parking area having eight or more parking spaces and which is visible from an abutting site in the RS-1 and RS-2: Residential Single Family, RT: Residential Two-Family, RM: Residential Multiple Family, RMH: Residential Mobile Home and RC: Residential Comprehensive Zoning Districts shall be fenced or have a screen planting. The location, length, thickness and height of such fence or screen planting shall be in accordance with the landscaping plan.

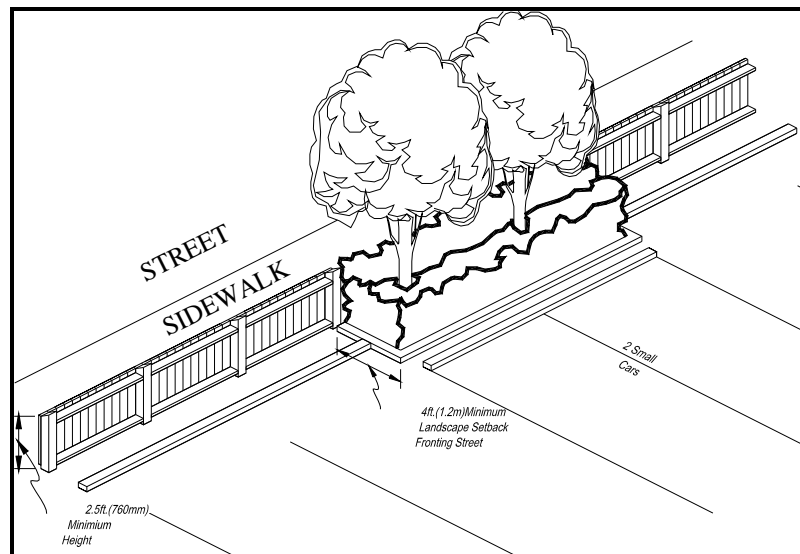

Figure 12. Parking

- 3) A garbage collection area, an open storage area, or an outdoor service area, which is visible from an abutting site in the RS-1 and RS-2:

Residential Single Family, RT: Residential Two-Family, RM: Residential Multiple Family, RMH: Residential Mobile Home, and RC: Residential Comprehensive Zoning Districts, or from a public roadway other than a lane, shall be fenced or have a screen planting. The location, length, thickness and height of such fence or screen planting shall be in accordance with the landscaping plan. Such fence or screen planting shall be maintained to provide effective screening from the ground to a height of 1.83 m. (6.00 ft.).

- 4) In the case of bulk outdoor storage, including but not limited to lumber yards and similar uses, where because of height of materials stored, a screen planting would not be sufficient, a fence, earth berm or combination thereof, with sufficient height to substantially block the view, shall be substituted for the regulations of Section 30.2 (3) of this By-law.
- 5) Where, because of conditions not conducive to good horticultural practices, a screen planting cannot reasonably be expected to survive, the Designated Officer shall require a masonry wall, wood fence or earth berm, or combination thereof, to be substituted for the regulations of Section 30.2 (3) of this By-law.
- 6) Any screen planting required shall consist of evergreen trees or shrubs, or flowering trees or shrubs, or both. All screen plantings shall be maintained to provide effective screening from the ground to a height of 2.00 m. (6.56 ft.).

31.0 Moving of Structures

- 1) No person shall move any structure or part thereof off his/her property to any other location within the municipality unless that structure or part is made to conform to the regulations of this By-law applicable to the Zoning District to which it is to be moved and the structure or part as determined by the Designated Officer will be similar to, or better than, the standard of surrounding development in terms of building materials.
- 2) Before moving a building or portion to a new location, the owner shall enter into an agreement with the Municipality containing an undertaking of the owner to pay all damages arising out of the move and such other terms and conditions as a Designated Officer deems necessary.
- 3) Within one (1) year upon completion of removal of a building from a site, the old foundation shall be removed, any excavation shall be filled, the ground shall be leveled and the site shall be put in a safe condition to the satisfaction of the Designated Officer.

32.0 Parking

32.1 General

- 1) When any new development is proposed, including a change of use of existing development, or when any existing development is enlarged or increased in capacity, then provision shall be made for off-street vehicular parking or garage spaces in accordance with the regulations and standards contained in this Section of the By-law as follows:

TABLE 1
Off Street Parking Regulations

Use Class	Number of Parking Spaces Required

(550.00 sq. ft.) of floor area 1.00/2 Employees 1.00/5 Seating places</p>

- 2) Where a proposed use is not listed above, the parking regulation shall be determined by Council which may either determine that the proposed use is similar to one which is listed, or, if that is not the case, the Designated Officer shall make his/her own determination as to the regulation.
- 3) Where the parking space regulation is determined by reference to a unit such as the number of bedrooms or seats, floor area, the next higher number shall be required where the calculation results in a fractional number of parking spaces.
- 4) In the case of the multiple use of a site, the Designated Officer shall calculate the parking required for each individual use and the total shall be deemed to be the required parking for the site, unless the applicant can demonstrate to the satisfaction of Council through a parking demand study that there is a complementary use of the parking facilities which would warrant a reduction in the parking regulations.
- 5) All accessory off-street parking spaces shall be located on the same zoning site as the use served, unless permitted by a variation order to locate elsewhere. When located on a different site, the parking lot site shall be located no further than 91.44 m. (300.00 ft.) from the zoning site it serves. As a condition of variation, an agreement shall be entered into ensuring that the subject sites remain together for the purpose of satisfying parking requirements.
- 6) The off-street parking spaces may be open to the sky or enclosed within a structure.
- 7) The surface of an accessory off-street parking area and its access driveways shall be surfaced and designed in such a manner that there will be no free flow of water onto either adjacent properties or along public sidewalks. They may be paved with either asphalt, concrete or paving bricks, or suitably surfaced with gravel, crushed rock or other aggregate material.
- 8) Lighting used to illuminate an accessory off-street parking area shall be arranged so that it does not illuminate directly onto the adjoining sites, streets or lands.
- 9) An accessory off-street parking area associated with commercial, industrial, institutional, educational or major recreational uses as determined by the Designated Officer shall be provided with bumper guards, wheel stops, masonry walls or ornamental fences in order to prevent a vehicle from encroaching onto public or private property. Said bumper guards, wheel stops, masonry walls or ornamental fences shall be maintained in good condition at all times.

- 10) When a building is enlarged or a use is extended or changed, the accessory off-street parking spaces shall be provided for the enlargement, extension, or new use in accordance with the specific requirements of the particular zone in which the use is located.
- 11) The accessory off-street parking spaces provided for a use shall be solely for the parking of automobiles of employees, occupants, patrons or visitors of such use; and shall not be used for major motor vehicle repair work as determined by the Designated Officer.
- 12) Where a common parking area other than a driveway, abuts a "RS-1" and "RS-2" Residential Single Family Zones, "RT" Residential Two Family Zone, "RMH": Residential Mobile Home, or "RC" Residential Comprehensive Zone, the owner or developer of the parking area shall construct and maintain a solid fence or hedge not less than 1.22 m. (4.00 ft.) or more than 1.83 m. (6.00 ft.) in height along any portion of the parking area boundary which abuts the said "RS", "RT", "RMH", and "RC" zones.

32.2 Spaces and Aisles

- 1) Except as provided below, each required non-residential off-street parking space shall be a minimum of 2.60 m. (8.53 ft.) in width, and a minimum of 5.50 m. (18.04 ft.) in length, exclusive of access drives or aisles, ramps, or columns. Such spaces shall have a vertical clearance of at least 2.00 m. (6.56 ft.). For parallel parking, the length of the parking spaces shall be increased to 7.00 m. (22.97 ft.), except that an end space with an open end shall be a minimum of 5.50 m. (18.04 ft.). For parking spaces other than parallel parking spaces, up to 15.00 percent of the required parking spaces may be of a length shorter than that required above, to a minimum of 4.60 m. (15.09 ft.).
- 2) Aisles shall be a minimum of 7.00 m. (22.97 ft.) wide for 90.00 degree parking, 5.50 m. (18.04 ft.) wide for 60.00 degree parking, and 3.60 m. (11.81 ft.) wide for 45.00 degree and parallel parking.
- 3) For Residential and Residential-Related Use Class developments, the required parking spaces shall be wholly provided on the same site as the principal building. For all other uses, the parking spaces shall be located not more than 100.00 m. (328.08 ft.) from the principal building, unless otherwise approved by Council. Such distance shall be measured along an accessible public roadway from the nearest point of the parking area to the nearest point of the site where the principal building or use is located.

33.0 Signs

33.1 General

- 1) No person shall erect a sign without first obtaining a development permit from the Designated Officer and no development permit to erect a sign shall be issued unless all the sign regulations of this By-law have been satisfied.
- 2) Where regulations of this By-law are inconsistent with the regulations respecting signs on or near public highways that are administered by Manitoba Department of Infrastructure & Transportation, the more restrictive regulations shall apply.
- 3) Signs are considered accessory uses and shall be developed in accordance with Section 25.0 of this By-law with the exception that freestanding signs in all commercial and industrial zoning districts shall be setback a minimum of 1.52 m. (5.00 ft.) from any property line.
- 4) No sign shall be erected, operated, used or maintained which:
 - a) due to its position, shape, colour, format or illumination obstructs the view of, or may be confused with, an official traffic sign, signal or device, as determined by the Designated Officer or Council;
 - b) display lights resembling the flashing lights usually associated with danger or those used by police, fire, ambulance and other emergency vehicles;
 - c) allows a swinging motion;
 - d) except for Community Service Clubs, Religious Assemblies and General Advertising Signs, is not related to any business upon the site where the sign is located;
 - e) is located on a public right-of-way or sidewalk; and
 - f) contains a trademark or emblem other than a trademark or emblem that is registered or copyrighted in the name of the applicant.

33.2 Abandoned and Unlawful Signs

- 1) Where a Designated Officer finds a sign to be abandoned, the Designated Officer may by notice in writing or by registered mail, order the registered owner, the person in possession of the site or building or the person responsible for the abandoned sign to remove the sign within twenty days after receipt of the notice, or take such measures as are specified in the notice to alter and refurbish the sign so that it correctly identifies the business, or the products and services offered on the site where the sign is displayed.

- 2) Where a sign contravenes the regulations of this By-law, the Designated Officer may, by notice in writing, order the owner or the person responsible for the contravening sign to take such measures as are specified in the notice to alter the sign so that it complies with the regulations of this By-law, or remove the sign.
- 3) Failure to remove abandoned or unlawful signs, or to comply with the measures specified in the notice by the Designated Officer, shall result in the removal of the sign by the Municipality with the owner or the person responsible for the contravening sign assuming liability for all removal costs.

33.3 Sign Regulations

- 1) Quality, aesthetic character, and finishing of sign construction shall be to the satisfaction of the Designated Officer or Council.
- 2) No signs shall be erected in the RS-1 and RS-2: Residential Single Family, RT: Residential Two-Family, RM: Residential Multiple Family, RMH: Residential Mobile Home, and RC: Residential Comprehensive Zoning Districts except those expressly provided for in this Section of the By-law.
- 3) Fascia signs shall not have letters over 0.81m (32”) in height, and the total width of fascia signs shall not exceed 80 percent of the building width.
- 4) Free standing signs are limited to no more than one per lot, except on a corner lot or through lot. The Designated Officer or Council may allow more than one free standing sign if warranted by the circumstances.
- 5) Where the architectural design and appearance of a building facade for a multiple business occupancy are uniform, signs or individual businesses located on the same facade shall, in the opinion of the Designated Officer or Council, be similar as to proportion, materials, and placement such that they present a pleasing architectural appearance.
- 6) No canopy or awning sign shall be erected over a public right-of-way until an easement agreement has been entered into with the Municipality and the canopy or awning sign shall comply with the following regulations:
 - a) if supported on posts or by braces, brackets or supports on or extending over a public right-of-way, the braces, brackets or supports shall be hidden from view and above the height of the roof line of the canopy or awning; and
 - b) not be constructed in such a manner that drainage from the canopy or awning falls on any public right-of-way.

- 7) For the purposes of this Section of the By-law, where a lot is occupied by more than one business (i.e. multiple occupancy) each business shall be considered a separate business.
- 8) Signs shall be developed in accordance with the following regulations as outlined in Table 2 Sign Regulations:

TABLE 2
Sign Regulations

Use Class	Types of Signs	Maximum Sign Area	Maximum Sign Height
Residential and Residential-Related	Identification	0.37 sq. m. (4.00 sq. ft.)	3.05 m. (10.00 ft.)
	Real Estate	1.49 sq. m. (16.00 sq. ft.)	6.10 m. (20.00 ft.)
Agricultural and Natural Resource	Identification	2.97 sq. m. (32.00 sq. ft.)	10.67 m. (35.00 ft.)
Commercial and Industrial	Business Identification (if attached to a building only)	25.00 percent of the building face for each business (with only the front wall of the building facing the public street being used in the percentage calculation), to a maximum of 18.58 sq. m. (200.00 sq. ft.) for single occupancy and a combined maximum of 55.74 sq. m. (600.00 sq. ft.) for multiple occupancy	10.67 m. (35.00 ft.)
	Business Identification (if free standing only)	18.58 sq. m. (200.00 sq. ft.) for a single occupancy site and 83.61 sq. m. (900.00 sq. ft.) for a multiple occupancy site	10.67 m. (35.00 ft.)
	Business Identification (if attached to a building and free standing)	37.16 sq. m. (400.00 sq. ft.) for a single occupancy site, 55.74 sq. m. (600.00 sq. ft.) for a multiple occupancy site of two businesses, 74.32 sq. m. (800.00 sq. ft.) for a multiple occupancy site of three businesses and 92.90 sq. m. (1,000.00 sq. ft.) for a multiple occupancy site of more than 3 businesses	10.67 m. (35.00 ft.)
Basic Service Use and Community, Educational, Recreational and Cultural Service	Identification Sign (if attached to a building or free standing)	2.32 sq. m. (25.00 sq. ft.) if the site abuts the site of a Residential Use Class development and 4.65 sq. m. (50.00 sq. ft.) in other Zoning Districts	10.67 m. (35.00 ft.)

- 9) Notwithstanding anything elsewhere contained in this By-law, the following regulations shall apply to portable signs:
- a) portable signs are only allowed in the CC: Commercial Central, CH: Commercial Highway, CN: Commercial Neighbourhood, CHR: Commercial Highway Restricted or CS CH-1: Commercial Highway or the MB: Industrial Business, or MG: Industrial General Zoning Districts;
 - b) the maximum sign surface area of a portable sign is 4.65 sq. m. (50.00 sq. ft.);
 - c) there shall be no more than one portable sign per lot, except that for a lot with multiple occupancy there can be a maximum of two portable signs. Where there is more than one portable sign, the signs shall be a minimum of 19.81 m. (65.00 ft.) apart;
 - d) a portable sign shall comply with the yard regulations of the Zoning District within which it is located;
 - e) flashing or scintillating portable signs are prohibited;
 - f) no portable sign shall be placed in such a way that it may interfere with, obstruct the view of, or be confused with an authorized traffic signal, warning sign or other regulatory or informational device, and in no circumstances shall it be located within 3.05 m. (10.00 ft.) from the nearest part of any exit or entrance driveway;
 - g) the maximum height of a portable sign shall be 3.05 m. (10.00 ft.) measured from grade to the highest part of the sign;
- 10) Notwithstanding anything elsewhere contained in this By-law, the following regulations shall apply to a temporary sign that provides information dealing with a land development project:
- a) the maximum sign surface area is 13.94 sq. m. (150.00 sq. ft.);
 - b) the sign shall comply with the yard regulations of the Zoning District within which it is located;
 - c) the sign shall be placed in such a way that it will not interfere with, obstruct the view of, or be confused with an authorized traffic signal, warning sign or other regulatory or informational device, and in no circumstances shall it be located within 3.05 m. (10.00 ft.) from the nearest part of any exit or entrance driveway;
 - d) the sign is only allowed to be placed at the location of the land development project;
 - e) the sign shall be removed within thirty days of the last sale of any lots or buildings or at the discretion of the Designated Officer; and
 - f) the applicant shall pay the applicable fees and sign a letter indicating that they will comply with these regulations.
- 11) Notwithstanding anything elsewhere contained in this By-law, the following regulations shall apply to other temporary signs:

- a) the maximum sign surface area shall be 4.65 sq. m. (50.00 sq. ft.);
 - b) the sign shall comply with the yard regulations of the Zoning District within which it is located;
 - c) the sign shall be placed in such a way that it will not interfere with an authorized traffic signal, warning sign or other regulatory or informational device, and in no circumstances shall it be located within 3.05 m. (10.00 ft.) from the nearest part of any exit or entrance driveway;
 - d) the sign shall be removed within seven days after the date of the advertised community event or at the discretion of the Designated Officer; and
 - e) the applicant shall pay the applicable fees and sign a letter indicating that they will comply with these regulations.
- 12) Notwithstanding the above, general advertising signs shall be considered a conditional use development and shall comply with the following regulations:
- i) The maximum sign surface area shall be 37.16 sq. m. (400.00 sq. ft.);
 - ii) The maximum sign height shall be 10.67 m. (35.00 ft.)
 - iii) No general advertising sign shall be placed in such a way that it will interfere with an authorized traffic signal, warning sign or other regulatory or informational device; and
 - iv) Council may impose additional conditions on the installation of a general advertising sign deemed necessary to protect adjacent sites and the public welfare.

34.0 Off Street Loading

- 1) When any new development is proposed including a change of use of existing development, or when any existing development is, in the opinion of the Designated Officer, substantially enlarged or increased in capacity, off-street vehicular loading and unloading spaces shall be provided in accordance with the following:
- a) For all Commercial Use Class developments excluding Professional, Financial and Office Support Services:
 - i) One space shall be required for less than 465.00 sq. m. (5,005.38 sq. ft.), two spaces for 465.00 sq. m. (5,005.38 sq. ft.) to 1,500.00 sq. m. (16,146.39 sq. ft.) and one space for each additional 2,300 sq. m (24,757.80 sq. ft.).

- b) For all Professional, Financial and Support Services, as well as all Industrial, Basic Service, or Community, Educational, Recreational, and Cultural Service Use Class developments:
 - i) One space shall be required for up to 2,800.00 sq. m (30,139.94 sq. ft.) and one additional space up to a maximum of five for each additional 2,800.00 sq. m (30,139.94 sq. ft.).
- 2) All loading and unloading spaces shall be located on the site so that all materials and commodities loaded or unloaded can be easily collected or distributed within the site, to and from all tenants or occupants. Access shall be so arranged that no backing or turning movements of vehicles going to or from the site causes interference with traffic on the adjoining or abutting public roadways, lanes, sidewalks, or boulevards.
- 3) Loading and unloading spaces shall be of adequate size and with adequate access, both to the satisfaction of the Designated Officer, to accommodate the types of vehicles which will be loading and unloading, without those vehicles projecting into a public roadway. In no case shall the space be less than 28.00 sq. m. (301.40 sq. ft.), or less than 2.60 m. (8.53 ft.) wide, or have less than 3.70 m. (12.14 ft.) of overhead clearance.

35.0 Excavation, Stripping and Grading

- 1) For the purpose of this Section of the By-law, excavation shall mean excavation other than for construction or building purposes, including but not limited to topsoil stripping and the construction of artificial bodies of water.
- 2) A person wishing to excavate, strip or grade land shall:
 - a) comply with Municipal By-laws, as amended, that regulate the excavation, stripping or grading of land; and
 - b) provide the following details in his/her development permit application:
 - i) the location and area of the site on which the excavation, stripping or grading is to take place;
 - ii) the existing land use and vegetation;
 - iii) the type and dimensions of the excavation to be made, and the effect on existing drainage patterns; and
 - iv) the condition in which the excavation is to be left when the operations is complete, or the final disposition to be made of the area from which the topsoil is to be removed, including the action which is to be taken for restoring the condition of the surface of the land to be affected, and for

preventing, controlling or lessening the creation of erosion or dust from the land.

- 3) The Designated Officer shall consider every application for a permit to excavate land, and shall not issue a permit unless he/she is satisfied that:
 - a) the operation will be carried out so as to create a minimum of dust and environmental disturbance; and
 - b) the operation is one which, in the opinion of the Designated Officer, is reasonable necessary for the use and development of the land in question.
- 4) The Designated Officer may require as a condition of issuing a permit to excavate land, that the applicant take the precautions and follow the methods prescribed by the Designated Officer for the prevention or control of dust or any other nuisance caused by the proposed operation, and for the reclamation of the site if required.

36.0 Performance Standards for Industrial Use Class Developments

36.1 Applicability

All Industrial Use Class developments shall comply with the performance standards of this Section of the By-law and other requirements in applicable Federal, Provincial or Municipal legislation. Where in the opinion of the Designated Officer, a use may not comply with the said performance standards or requirements, he/she may require that the applicant submit a statement from a Certified Professional Engineer of Manitoba confirming that the proposed use satisfies the said performance standards or requirements.

36.2 Performance Standards

36.2.1 Emission of Air and Water Contaminants

- 1) No operations or activity shall emit air and water contaminants in excess of the standards prescribed by the Province of Manitoba pursuant to *The Environment Act* and the regulations pertaining thereto.

36.2.2 Noise

- 1) In the following districts no activity or operation shall cause, or permit to be caused, a noise level at or inside the lot line of a site which exceeds the regulations of the Province of Manitoba pursuant to *The Environment Act* and regulations pertaining thereto, or the Town of Morden Noise By-law, as amended:

- RS-1 and RS-2: Residential Single Family
- RT: Residential Two-Family
- RM: Residential Multiple Family
- RC: Residential Comprehensive
- RR: Rural Residential
- RMH: Residential Mobile Home

36.2.3 Appearance

- 1) All Industrial Use Class developments in the MB: Industrial Zoning District shall comply with the following appearance standards:
 - a) All loading, service, trash collection and accessory storage areas, and trucking yards shall be located to the rear or sides of the principal building, and shall be screened from view from any public roadway and from adjacent sites, by building walls, landscape materials, berms, fences or a combination thereof, from the ground to a height of 2.00 m. (6.56 ft.).
 - b) The Designated Officer may require that exposed projections outside the building such as mechanical and electrical equipment, transformer ducts, and materials handling equipment be screened from view from any public roadway, or from adjacent sites if, in his/her opinion, such projections are inconsistent with the character and appearance of surrounding development or the intended visual qualities of the said Zoning District.
 - c) All buildings shall be constructed and finished with durable materials designed to maintain the initial appearance of the development throughout the life of the project. The Designated Officer may require that the appearance of metal, or concrete block walls exposed to public view from beyond the site be improved where, in his/her opinion, such walls are inconsistent with the finishing materials or appearance characteristic of surrounding development.
- 2) Any use or activity in the MG: Industrial General Zoning District shall comply with the following appearance standards:
 - a) All outdoor service, assembly, trash collection and storage areas including the trucking yards associated with such activities shall be located to the rear or sides of the principal building. Loading and trash collection facilities serving office, warehouse and similar developments, where the handling or assembly of goods is carried on within a

building, shall be allowed to the rear, sides or front of the principal building.

- b) Outside display areas are permitted to the side or front of the principal building, provided that such displays are limited to examples of equipment or material related to the industry or business located on the site.

37.0 General Performance Standards for Residential and Commercial Uses

37.1 General Performance Standards for Residential Uses

Residential uses shall comply with the following standards:

- 1) In any development, the design, use of exterior finishing materials and construction shall be to the satisfaction of the Designated Officer or Council who shall require, as far as reasonably practicable, that materials will be used which ensure that the standard of the buildings will be similar to, or better than, the standard of surrounding development. The Designated Officer or Council may require that the appearance of walls exposed to public view from beyond the site be improved where the appearance of such walls is inconsistent with the finishing standards of surrounding development.

37.2 General Performance Standards for Commercial Uses

Commercial uses shall comply with the following standards:

- 1) All commercial developments:
 - a) shall be designed to:
 - i) convey an image of cohesive appearance and architectural character;
 - ii) ensure that offices, reception and public use areas are easily identifiable and visible from the public roadway; and
 - b) shall be constructed and finished with durable materials to maintain the initial appearance of the development throughout the life of the project.
- 2) The Designated Officer or Council may require that the appearance of walls exposed to public view from beyond the site of a commercial development be combined with other materials where, in his or Council's opinion, such walls are inconsistent with the finishing materials or appearance characteristics of surrounding developments.

- 3) The location of the principal building on a site of a commercial development shall take into account:
 - a) the setbacks and building placements on adjacent sites; and
 - b) the micro-climatic effects including shading of adjacent buildings or sites.
- 4) Garbage collection, loading, storage or outdoor service areas for commercial developments shall be developed in accordance with Section 30.2 of this By-law and the following:
 - a) All outdoor storage shall be related to the business on the site.
 - b) There shall be no outdoor storage of objects or chattels which, in the opinion of the Designated Officer or Council, are unsightly or adversely affect the character or appearance of the site or surrounding developments.

38.0 Development Restricted

38.1 Noxious or Offensive Uses

- 1) Nothing in this By-law, or in a development permit, approval or a conditional use order, variation order or other approval issued under this By-law or under the *Act*, shall be construed as authorization for the carrying out of any activity that is a nuisance.

38.2 Flood Risk Areas and Hazard Lands

- 1) Notwithstanding any other provision of this By-law, the Designated Officer may:
 - (a) Refuse to issue a building and/or development permit where the proposed building or structure, as determined by Council, is located within the floodway of a waterbody, stream, drain, watercourse, or is low-lying, marshy, or subject to periodic flooding and where Council has determined that placement of said structure would impede the flow of water or floodwaters and/or create a hazard to life, limb or property; or
 - (b) Where Council has determined that the specific hazard has not been defined or where the proposed building or structure is to be located within the floodway fringe of a river, stream, drain or watercourse, or is otherwise subject to periodic flooding or runoff, permit such lands to be developed provided that:
 - (i) permanent structures shall be setback from all water courses a distance of a least 10 times the height of the bank

- above a channel grade or 59.74 m. (196.00 ft.), whichever is greater.
- (ii) permanent structures shall be protected from flooding by raising the building site and access to the flood protection level which is 0.67 m. (2.00 ft.) above the flood level. The level of the surrounding fill at the building line shall not be less than the flood protection level, and shall not slope more than 15.24 cm. (6.00 in.) for a horizontal distance of 4.57 m. (15.00 ft.) from the building line and not more than 0.35 m. (1.00 ft.) vertically to 1.22 m. (4.00 ft.) horizontally thereafter.
 - (iii) the elevation of the main floor shall be a minimum of 0.35 m (1.0 ft.) above the flood protection level.
 - (iv) basements, if constructed, shall:
 - have the elevation of the basement floor not lower than the flood protection level by: 0.67 m. (2.00 ft.) if the fill material is pervious such as sand; or 1.68 m. (5.50 ft.) if the fill material is impervious such as clay.
 - not contain habitable space.
 - not be used for storage or immovable materials or hazardous materials that are buoyant, flammable, explosive or toxic.
 - not contain any electrical circuit breaker panels.
 - be provided with a sump pit.
 - have back-up valves in the sewer pipes or pipes leading to a holding tank or disposal field.
- 2) Notwithstanding any other provision of this By-law, the Designated Officer may:
- (a) Refuse a building and/or development permit where Council has determined that the proposed building or structure is to be located on lands subject to erosion, bank instability, sloughing or is to be located on low-lying wetlands having insufficient bearing strength to accommodate said building or structure; or
 - (b) Require that the proposed building or structure be constructed and located in such a manner as to negate the effects of the hazard.
- (3) The Designated Officer may require that the applicant provide, at his/her own expense, such flood levels, elevations, or other geotechnical data as may be required for its determination with respect to subsections (1) and (2) above.

- (4) Council may, prior to the issuance of a development permit, consult with Provincial Government officials.

38.3 Outdoor Solid Fuel Fire Appliances

An outdoor solid fuel fire appliance is not allowed within the Town of Morden, except as provided in any Solid Fuel or related by-law in force in the Town of Morden.

38.4 Dwelling Setbacks

- 1) No dwelling unit shall be located within 402.34 m. (1,320.00 ft.) of the boundary of any active waste disposal ground unless:
 - a) a Certified Professional Engineer of Manitoba determines that there will be no migration of methane gas; and
 - b) approval has been obtained from Manitoba Conservation.
- 2) No dwelling unit shall be located within 457.20 m. (1,500.00 ft.) of the boundary of a Municipal sewage lagoon.
- 3) No dwelling unit shall be located within 15.24 m. (50.00 ft.) from the edge of a right-of-way established for the transmission of high-pressure natural gas or the transmission of hydro electricity in excess of 100 kilovolts.
- 4) No dwelling unit shall be located within 30.48 m. (100.00 ft.) from the edge of a railway right-of-way.
- 5) No dwelling unit shall be located within 152.40 m. (500.00 ft.) from any active Natural Resource Development.

38.5 Corner Vision Triangles

- 1) No building, structure, sign, fence, parking area, shelterbelt, hedge or stockpiling of materials exceeding a height of 0.91 m. (3.00 ft.) above grade shall be located within a triangular area of any lot adjacent to an intersection of two public streets, with the sides of the triangular area being measured a distance of 3.05 m. (10.00 ft.) along each lot line from the point of intersection.

|

Figure 13: Corner Vision Triangle

38.6 Side Yard Exceptions

- 1) For the purpose of side yard regulations, the following dwellings that have common party walls shall be considered as one building occupying one lot: Two Family Dwellings, Semi-Detached Dwellings, Townhouse Dwellings and Multiple Family Dwellings. Side yard regulations shall not apply along the common party walls.

38.7 Hazardous Materials Storage

- 1) No commercial-related or industrial-related Bulk Storage Facility, Agricultural Crop Protection Warehouse or Agricultural Product Storage shall be located within:
 - a) 304.80 m. (1,000.00 ft.) of a building used for human occupancy; and
 - b) 100.00 m. (328.08 ft.) from the edge of the rights-of-way of Provincial Trunk Highways, Provincial Roads as well as all Provincial Access Roads.

38.8 Building Grade

- 1) No building or structure shall be erected without first obtaining from the Designated Officer written instructions as to the grade for the building or structures to be erected, which shall be in accordance with any applicable lot grading by-law. It shall be the continuing obligation of the property owner to maintain building grades for adequate site drainage and to ensure that the level of the surrounding fill at the building line shall not be less than the flood protection level.
- 2) The grade of any site shall not be raised or lowered by more than 0.15 m. (0.50 ft.) of the adjacent site without the approval of the Designated Officer. When evaluating the raising or lowering of the grade of any site by 0.15 m. (0.50 ft.) or more, flood level information, street elevation,

service installations, elevation of adjacent sites, drainage, appearance and other pertinent factors shall be taken into consideration.

38.9 Composting

- 1) The composting of private household material is permitted within all Zoning Districts. For the composting of any other material, Council may require a detailed engineering study from the applicant certifying that the proposed composting operation meets or exceeds all applicable Provincial regulations.

38.10 Land Drainage

- 1) A development permit shall be required for any drainage works undertaken on any lands, where it is proposed to alter or divert the natural course of a watercourse.
- 2) Notwithstanding any other regulation of this By-law, the Designated Officer or Council may refuse a development permit for, or prohibit, any drainage works to be undertaken on lands where it has been determined that such works would create an adverse effect on adjacent public or private lands or where adjacent drains are insufficient to accommodate the added runoff.

38.11 Buildings Restrictions Adjacent to Airports

- 1) No buildings or structures shall be erected within 60.96 m. (200.00 ft.) strip parallel to and on either side of the centerline of a runway; and 243.84 m. (800.00 ft.) from either end of a runway.
- 2) No building constructed around an airport shall exceed the following height restrictions:
 - a) no building along the edge of a runway shall exceed a height of 0.31 m. (1.0 ft.) vertical for every 1.54 m. (5.00) ft. measured horizontally from the edge of the runway strip, as illustrated below; and
 - b) no building located in the takeoff or approach paths to a runway shall exceed a height of 0.31 m. (1.0 ft.) vertical for every 7.62 m. (25.00) ft. measured horizontally from the ends of the runway strip and diverging ten (10) percent from the extension of the edges of the runway, as illustrated below.

38.12 Additional Retail Site Provisions for Adult Activities

An establishment where the principal business activity relates to adult entertainment, including striptease and pornographic video and magazine or book sales must be fully enclosed within it's own free standing building and shall maintain a minimum separation distance of 305.00 m. (1,000.00 ft.) from any designated residential area, public or private education service, religious assembly, child care service, community recreation service, community service club, or similar use or designation as determined by the Designated Officer.

38.13 Metal Shipping Containers

Metal Shipping Containers shall comply with the following regulations and shall only be allowed in Industrial Zoning Districts and on Public Utility Sites regardless of the Zoning District they are located in:

- (i) If on-site for less than 90 days per calendar year:

1. Shall be classified as a Temporary Use.
2. Shall be located to the rear and/or side of the principal building.
3. For sites less than 1.00 hectare (2.27 acres) there shall be no more than 2 metal storage containers; for sites between 1.00 hectares (2.27 acres) and 2.00 hectares (4.94 acres) there shall be no more than 4 metal storage containers; and for sites greater than 2.00 hectares (4.94 acres) there shall be no more than 6 metal storage containers.
4. Shall comply with Section 25.4 of this By-law.

(ii) If on-site for more than 90 days per calendar:

1. Shall be classified as an Accessory Use.
2. Shall be located to the rear and/or side of the principal building.
3. Shall be placed on a concrete slab foundation.
4. Shall be painted to match the colour of the principal building.
5. - e) they cannot be allowed to park in the front driveway for more than seven consecutive days.

39.0 Streets

- 1) No building or structure shall be erected upon any land designated for a future road allowance by Council. Any development adjacent to said future road allowance shall comply with the regulations of the By-law as if the said future road allowance was already in existence.

40.0 Connecting to Municipal Services

- 1) All new principal buildings constructed on a site that is serviced by Municipal sewer or water shall, where feasible, be connected to such services.

41.0 Applicability

- 1) The Special Land Use Regulations apply to the uses listed irrespective of the Zoning District in which they are located. Where these regulations appear to be in conflict with the Zoning District regulations in which the use is either a permitted use or conditional use, the Special Land Use Regulations shall take precedence and shall be applied in addition to the regulations in the Zoning District.

42.0 Vehicular - Oriented Uses

42.1 Applicability

- 1) The following Commercial Use Class developments shall comply with the regulations of this Section of the By-law:
 - a) Drive-In Food Services;
 - b) Gas Bars;
 - c) Service Stations;
 - d) Rapid Drive-Through Vehicle Services; and
 - e) Automatic Teller Machines.

42.2 Development Regulations

- 1) Vehicular-oriented uses shall be located only where the Designated Officer or Council is satisfied that the development will not adversely affect the functioning of the surrounding public roadway.
- 2) The minimum frontage shall be 30.48 m. (100.00 ft.).
- 3) Service Stations and Rapid Drive-Through Vehicle Services shall have a minimum site depth of 30.48 m. (100.00 ft.).
- 4) Stacking space shall be provided as follows:
 - a) For Drive-In Food Services and other Commercial Use Class developments having a drive-up service window, a minimum of six in-bound stacking spaces shall be provided for vehicles approaching the drive-up service window. One out-bound stacking space shall be provided on the exit side of each service position and this space shall be located so as not to interfere with service to the next vehicle.
 - b) For Rapid Drive-Through Vehicle Services, a minimum of five in-bound and three out-bound stacking spaces shall be provided for each service bay, except that in the case of a complete service car

- wash a minimum of twenty in-bound and five out-bound stacking spaces shall be provided.
- c) For Automatic Teller Machines, a minimum of three in-bound and one outbound stacking spaces shall be provided for each machine.
 - d) All stacking spaces shall be a minimum of 5.49 m. (18.00 ft.) long and 3.05 m. (10.00 ft.) wide. Stacking lanes shall provide sufficient space for turning and manoeuvring.
- 5) Gas Bars and Service Stations shall comply with the following additional regulations:
- a) All pump islands and underground storage tanks shall be located at least 6.10 m. (20.00 ft.) from any boundary of the site, parking area on the site, or laneways intended to control traffic circulation on the site.
 - b) Refuelling areas are not permitted in a required parking area.
 - c) A canopy over a pump island may extend to within 3.05 m. (10.00 ft.) of the boundary of the site. The canopy area shall not constitute part of the site coverage for the purpose of this Section of the By-law.

43.0 Home Occupations

A Home Occupation shall comply with the following regulations:

- 1) The Home Occupation shall be in contravention of this Zoning By-law unless it conforms to the Municipal Licensing By-law and amendments thereto.
- 2) The Home Occupation shall not include social escort services, automotive service uses and tow-truck operations.
- 3) There shall be no outdoor business activity, or storage of material or equipment associated with the Home Occupation.
- 4) The Home Occupation shall not generate pedestrian or vehicular traffic, or parking, in excess of that which is characteristic of the Zoning District in which it is located.
- 5) The Home Occupation shall be owned by the member(s) of the family residing at the dwelling unit without the employment of other persons.

- 6) Notwithstanding Section 33.0 of this By-law, the Home Occupation may have one identification sign not exceeding 0.28 sq. m. (3.00 sq. ft.) in area, indicating the name of the occupant and/or Home Occupation of the occupant provided the sign is attached to and parallel with the wall of the principal or accessory building.
- 7) There shall be no mechanical or electrical equipment used which creates noise, or visible and audible interference in radio or television reception in adjacent dwelling units.
- 8) The Home Occupation shall be operated as a secondary use only, and shall not change the principal character or external appearance of the dwelling unit involved.
- 9) A Home Occupation within a dwelling unit or accessory building shall not exceed a maximum floor area of 27.87 sq. m. (300.00 sq. ft.) or twenty – five percent (25%) of the floor area, whichever is lesser.
- 10) The Home Occupation shall not be permitted if, in the opinion of the Designated Officer, such use would be more appropriately located in another Zoning District having regard for, among other matters, potential traffic generation and potential interference with the residential character of the area.
- 11) In addition to the information regulations of Section 12.0 of this By-law, each application for a development permit for a proposed Home Occupation shall include a description of the office use to be undertaken at the premises and an indication of where any materials, equipment or vehicles associated with the office use are to be stored.
- 12) A permit for a Home Occupation is not transferable to a new homeowner.
- 13) In the case of retail sales or distribution, it offers articles for sale which are limited to those produced therein or articles that are produced elsewhere but are pre-packaged and held only on a temporary basis for distribution to customers.

44.0 Bed and Breakfast Homes

A Bed and Breakfast Home shall comply with the following regulations:

- 1) There shall be no exterior display or advertisement larger than 0.56 sq. m. (6.00 sq. ft.) in area, provided that no sign shall be illuminated and any sign must be compatible with the residential character of the area.

- 2) The Bed and Breakfast Home shall not generate vehicular traffic or parking that is in excess of what is normally characteristic of the area.
- 3) The Bed and Breakfast Home shall be operated by a live-in owner as a secondary use only and shall not change the principal residential character or external appearance of the dwelling unit.
- 4) The Bed and Breakfast Home shall have a maximum of:
 - a) three bedrooms or bedroom suites in the RS-1 and RS-2: Residential Single Family, RT: Residential Two-Family, RM: Residential Multiple Family and CC: Commercial Central Zoning Districts.
- 5) Meals shall be limited to the owner-occupants of the Bed and Breakfast Home and resident guests therein with no cooking facilities allowed in the bedrooms or bedroom suites.

- 7) Approved smoke alarms shall be required:
 - a) in every bedroom or bedroom suite; and
 - b) in the common corridor of every storey or floor level, even if no bedroom or bedroom suite is provided on that storey or floor level.

The smoke alarms are to be electrically hard wired to each other in cases where major renovations are to take place.
- 8) An approved 2.20 kg. (4.85 lb.) multi-purpose portable fire extinguisher shall be visibly mounted near the kitchen exit door, preferably the door leading directly outdoors.

45.0 Planned Unit Developments

The intent of this section is to provide for alternate forms of land development within the Town of Morden including multiple uses of a site, multiple buildings or structures on a single site, bare land unit condominiums and similar which may not comply with the Appendix C: Bulk Regulations or other regulations of this By-law. The design of such developments shall, however, produce an environment of stable and desirable character and shall incorporate at least the equivalent standards of amenity, parking and loading and other requirements and standards as applicable in this By-law.

45.1 Condominiums

Condominium developments are characterized by individual ownership of dwelling or land units and common ownership of all other property including buildings and structures or parts thereof, open space, roadways, pathways and equipment held by the condominium corporation. Such development shall be conditional uses and shall be regulated by the following provisions:

45.1.1 New Condominium Developments

- 1) In bare land unit condominium developments:
 - a) Each “bare land unit” as defined in *The Condominium Act*, which is delineated by horizontal land boundaries, shall be considered a “site” as defined herein for the purposes of determining site area and width, yards and other requirements;
 - b) Those “common elements” as defined in the said *Act*, which will be ordinarily used for the passage of vehicles or pedestrians including roads, road allowances, streets and lanes but not including pedestrian walkways or off-street vehicle parking areas; shall be considered:
 - i) a “street” as defined herein where such thoroughfare is over 10.06 m. (33.00 ft.) in width; and
 - ii) a “lane” as defined herein where such thoroughfare is not over 10.06 m. (33.00 ft.) in width.
 - c) The provisions of the Use Table and Site Requirement Table for the zone in which the development is to be located and all other regulations and requirements of this By-law shall apply.
- 2) In condominium developments where the individual dwelling units within a building form the condominium units:
 - a) The development shall be considered as a multiple-family dwelling. That is, the individual condominium units within the building shall be considered as dwelling units within a multi-family dwelling (apartment block or townhouse) for the purposes of this By-law, and the building containing the condominium units shall be considered as a multi-family dwelling for the purposes of site, yard, height, etc. requirements.

45.1.2 Condominiums as Planned Unit Developments

- 1) A Condominium Development that propose a mixture of different land uses, or which do not conform to the requirements of this By-law may be deemed by Council, a Planned Unit Development and shall be subject to Subsection 45.1.3 below.

45.1.3 Planned Unit Developments

- 1) A Planned Unit Development is primarily a major land development project which, because of its size or complexity, high density, mixture or land uses or other unusual characteristics, is planned as a single entity in accordance with an overall site plan. There are many possible innovative projects with Planned Unit Development, including but not limited to the following:
 - a) comprehensive redevelopment – mixed use projects in downtown areas;
 - b) higher quality townhouse and apartment projects characterized by diverse designs and more public and private amenity space;
 - c) more interesting subdivision layouts characterized by an open space nature, clustered developments, preservation of natural features, separation of pedestrian and vehicular systems, staggered setbacks, diverse housing types and models and reduced amount of land devoted to streets and public works; and
 - d) shopping centres and industrial developments with a greater amount of landscaping and parking, less open storage and building designs which are more compatible with adjacent uses and more visually pleasing.
- 2) Planned Unit Developments are listed as conditional uses in appropriate zones and shall be subject to the following requirements:
 - a) Appendix B Permitted and Conditional Use and Appendix C. Bulk Regulations shall not directly apply to Planned Unit Developments. The design, however, shall produce an environment of stable and desirable character and shall incorporate at least equivalent standards of amenity, open spaces, building separation, parking and other requirements and provisions of this By-law;
 - b) An application for the establishment of a Planned Unit Development shall be accompanied by the following information:

- i) those requirements normally required for the issuance of a development permit as outlined in Section 12.0;
 - ii) an Impact Statement or Study as determined by Council; and
 - iii) such additional information as Council may consider necessary for the review of the proposal.
- 3) A residential Planned Unit Development may contain two or more principal buildings subject to the following criteria:
 - a) the minimum site area for a Planned Unit Development shall be one (1) acre;
 - b) side, front and rear yards equal to the requirements of the zone in which the Planned Unit Development is located, shall be maintained;
 - c) in no case shall buildings be closer to each other than the sum of the required yards for adjoining walls; and
 - d) the density of development shall not be increased by greater than ten (10) percent of the normal density permitted in that zone.

45.1.4 Multiple Uses

- 1) This Subsection provides for more than one main use, building or structure on a single site where it is reasonable to conduct such additional uses on the same site without requiring subdivision of the subject parcel. The multiple use provisions herein shall be applied to situations where, in the opinion of Council, the development is not of a magnitude to necessitate a Planned Unit Development. (See Subsection 45.1.3).
- 2) There may be more than one main use, building or structure on a single site, except in "RS-1", "RS-2" and "RT" zones, provided that:
 - a) the second or subsequent use, building or structure is a permitted or conditional use listed in the Use Table
 - b) where the second or subsequent use, building or structure is listed as a conditional use in the subject zone; or involves construction or erection of an additional main building;
 - c) the relevant conditional use provisions shall apply; and
 - d) all provisions of this By-law relating to each main use are met.
- 3) Where a proposed second or subsequent use on a zoning site is accessory or incidental to the main use, such as an incidental commercial use contained within the same building, it shall be regulated under Section 25 of PART II, Accessory Buildings, Structures and Uses.

45.1.5 Subdivision of Existing Attached Dwellings

- 1) For the purpose of changing from a tenancy to an ownership situation, a site with a two-family attached dwelling or a row type dwelling located thereon may be subdivided into two or more sites provided that:
 - a) any new side site line shall, where possible, be a straight line between the front and rear site lines, located in such a manner that the party wall of two adjacent units shall form part of the new side site line;
 - b) each site created shall have frontage on a street other than a lane;
 - c) each site created shall provide not less than one (1) on-site parking space having access directly to either a public lane or street;
 - d) the permitted use for each site created shall be for one attached single-family dwelling unit only;
 - e) all applicable provisions of the Town of Morden Building By-law and Sewer & Water By-law shall be complied with;
 - f) In the case of the subdivision pertaining to a two-family attached dwelling, the minimum site requirements as outlined in Appendix C Bulk Regulations must be provided with the exception that no side yard is required along the party wall.
 - g) notwithstanding the minimum requirements of Appendix C: Bulk Regulations in the case of row type dwellings, any new site created pursuant to this Subsection shall have a minimum site area of one thousand six hundred (1600) square feet and a minimum frontage of sixteen (16) feet. No side yard is required along a party wall.

46.0 Private and Semi-Private Swimming Pools and Hot Tubs

A Private and Semi-Private Swimming Pool and Hot Tub shall comply with the following regulations:

- 1) They shall meet Provincial regulations.
- 2) They shall be considered as being accessory to a permitted use and shall be developed in accordance with Section 25.0 of this By-law.

47.0 Secondary Suites

- (1) A secondary suite is permitted as an accessory use in a one-family dwelling located in any residential zoning district provided that:
 - (a) The one-family dwelling to which it is accessory is owner-occupied.
 - (b) The one-family dwelling to which it is accessory is located on a lot of not less than 549.97 sq. m. (5,920.00 sq. ft.) in area.

- (c) The secondary suite is not obtrusive so as to change the one-family nature of the one-family dwelling.
- (d) An Occupancy Permit has been issued.
- (e) One additional accessory off-street parking space is provided for the exclusive use of the accessory secondary suite.
- (f) The secondary suite contains at least three (3) rooms including a bedroom and bathroom.
- (g) The secondary suite can only be occupied and used by the owners parents or children.

48.0 Camping and Tenting Grounds

- (1) All Camping and Tenting Grounds shall provide:

- (a) A central open space area equivalent to 18.58 sq. m. (200.00 sq. ft.) per camping space or 222.96 sq. m. (2,400 sq. ft.) whichever is greater.
- (b) An all weather internal roadway to serve all camping space with a minimum 5.49 m. (18.00 ft.) wide driving surface and 9.14 m. (30.00 ft.) total width.
- (c) At least one (1) parking space on each camping space.
- (d) Storage of refuse in a sanitary manner at a location readily accessible to all camping spaces but not more than 152.40 m. (500.00 ft.) from any camping space.
- (e) Illumination of all roadways, walkways and common service buildings to standards approved by Council.
- (f) Service buildings or structures for the common use of tenants or for the administration of the camping and tenting grounds, such as washroom/shower building, outdoor cooking areas, office or convenience store. A dwelling unit shall be permitted when contained within the same building as the administration office or store.
- (g) Clear marking of the boundaries of each camping space and identification of each space by a numbered sign.
- (h) Utility services and on-site liquid waste storage facilities in the form of a holding tank in a suitable location for use of tenants.

49.0 Yards Abutting Residential Zone Limits

Notwithstanding any provisions of this By-law, the following special yard requirements shall apply along all Residential Zone limits:

- 1) Where a side site line in a Commercial or Industrial Zone abuts a side site line on an adjacent Residential Zone, the required front yard in the Residential Zone shall extend for a distance of 15.24 m. (50.00 ft.) in the case of a Commercial Zone, and 30.48 m. (100.00 ft.) in the case of an Industrial Zone from the zone limit as illustrated below.

- 2) A side Yard of 3.05 m. (10.00 ft.) in the case of a Commercial Zone and 7.62 m. (25.00 ft.) in the case of an Industrial Zone shall be provided along the side site line which abuts the Residential Zone as illustrated below.

Figure 16: Commercial and Industrial Special Yard Requirements

- 3) Parking spaces within the required front yard shall not be permitted within 3.05 m. (10.00 ft.) of the said zone boundaries.
- 4) Where a rear yard line of a Commercial or Industrial Zone abuts a side or rear site line in an adjacent Residential Zone, a rear yard of 7.62 m. (25.00 ft.) in the case of a Commercial zone, and 15.24 m. (50.00 ft.) in the case of an Industrial Zone shall be provided along the rear site line as illustrated below.
- 5) Where a yard as described in the Subclauses above is provided in a Commercial or Industrial Zone, a compact hedge, row of shrubbery or solid fence 1.83 m. (6.00 ft.) in height shall be provided and maintained along the site line abutting the Residential Zone limit as illustrated below.
