<i>Approved Resolution 8.2 June 28, 2011</i>	<i>Index</i> W/O-015

Purpose:

To establish guidelines that will regulate the width of concrete curb cuts in new and existing driveway accesses in Residential Zones and to establish regulations for moving of existing driveway accesses in Residential Zones.

Policy:

- The maximum allowable widths of driveway curb cuts shall be **28 ft.**
- A permit must be obtained from The City of Morden prior to removing any curbing, approval from a City of Morden representative as per permit application is required.
- In the event a curb removal is done prior to obtaining a permit, \$150.00 will be charged to the property owner.
- Pick up of concrete rubble is available by City of Morden forces.
- In the event that a resident moves a driveway access to another location on the same property, the existing abandoned curb shall be reconstructed as per City of Morden specifications, and the boulevard shall be filled up to the City property line. The cost of curb reconstruction and all related costs such as boulevard fill and sodding/seeding shall be solely the owner's responsibility.
